Council deadlock leaves hotel owners at impasse

Council meeting Monday night drew a larger than usual number of local citizens in the gallery, with three public hearings and two appeal hearings scheduled.

First hearing was on By-law 1/74 to rezone Lot 9 (behind St. Albert Inn) for hotel parking. Letters of protest were in from the Uprights on Gate Avenue and E. Shanley on Garnet Drive - both of which criticized "piece-meal" planning and objected to the encroachment of commercial development into the Ball estate. Bill Webber speaking at the hearing said he had the same concern now as in 1971 when the same application for rezoning was heard. He also felt council should look at the whole area and not plan "piece meal."

Mayor Gibbon pointed out that hotel owner Sam Shapiro had advised council that the zoning request was made only to satisfy the requirements of the mortgage and

that council had previously recommended that the zoning be approved with full assurance from the hotel owners that in fact Lot 9 would never be used for hotel parking. Coun. Bakker however felt Mr. Webber's viewpoint was "well taken," noting that council has no outline plan for the area.

A man in the gallery said he had not been notified, although he had property within 200 feet of Lot 9. "I am now out of the area and do not get the Gazette." He was told this was an error by staff since council policy is to notify neighboring property owners.

A lady in the gallery wondered what possible "moral obligation" council had to the mortgage company. "None," replied the mayor, but council did approve the rezoning on a 5-2 vote.

The matter came up again when the bylaw came up for second reading. Lot 9 cannot be used for hotel parking without the specific approval

of council, who have a letter signed by Mr. Shapiro confirming the arrangement.

Saying that council should develop an outline plan before any further rezoning of the Ball Estate area, Coun. Bakker moved to table motion for second reading until such a plan is ready. Vote went 3-3 with Gibbon, Lukay and de Bruijn opposed and was therefore lost. Coun. Hudson was absent.

Coun. Thronson said he believed Mr. Shapiro was honest and knew what he was doing but perhaps tabling second reading would be best - "I approved first reading, but now I will vote against second reading," he said.

Mayor Gibbon hoped council could look at Mr. Shapiro's overall plan for development of the area by the next committee meeting.

Mr. Shapiro said Lot 9 would be taken into his outline plan for the area, but meanwhile "we have a deadline regarding the area. His partner, Mr. Tony Hutton, architect, said he was at present working on a development proposal for their property in the area and hoped to have it ready in a month.

Coun. Lukay hoped council would look at the question seriously - we leaned backward for this development which was necessary for this town. He stated further that Lot 9 should have been zoned for parking in the first place. "It never made sense to zone highway property for parking rather than commercial development."

Coun. Thronson wanted to table till a full council was present, but Coun. de Bruijn didn't know what that would solve, and stated that he agreed with Coun. Lukay's comments, and had also originally voted in favor of Lot 9 (behind the hotel) being zoned for parking. "At that time," said de Bruijn, "we talked to Sam and Tony and

Heart Fund Blitz next week

Tuesday evening February 19th is St. Albert's night for the Heart Fund Blitz. The local Kinettes and Lady Lions are sponsoring the one night stand in aid of the Heart Foundation and the

One journey ends -another begins for Andy Boyer

Andy Boyer chats with Ken Browne on some of the more recent work done at St. Albert's Museum - a special interest of the "soon to be Deacon" Brother.

Since his arrival at the Oblate Seminary in North Battleford, Saskatchewan a few years ago, it's been a busy and a creative journey for Brother Andy Boyer, OMI who will be ordained deacon this coming Sunday in St. Albert. The ceremony will begin at 4 p.m. and will be presided by Bishop Henri Routhier, OMI, formerly of Grouard. This is the last step before his final ordination to the priesthood later this spring.

During his years in North Battleford and Newman College on St. Albert Trail, Andy's interests have been diversified and many. Other than his studies he has gained practical experience by helping to organize the Metis Indian Friendship Centre in North Battleford, teaching scripture, parish activities and working with the St. Albert Historical Society in the renovation of the Lacombe Museum and Crypt area.

During this time, his 10 speed bike and cross country skills have taken him on many journeys. These travels made Andy realize that there are more beautiful places than his home town, Duck Lake, Saskatchewan. Presently he is also mastering the Cree language which he plans to use in the future. Congratulations Andy and happy journey!

Yea Gervais!

St. Albert curlers and fans will be letting Hec Gervais and his team know how they feel about them on Saturday night at the Friendly Giant Inn.

It will be "Yea Gervais" night at the Valentine dance, scheduled at the rink previous to Hec's big consols win. Dancing begins at nine and 11 o'clock is "Bring off the Brier too" celebration time for Hec, Ron Anton, Warren Hansen and Darryl Sutton.

Bob Hudson, whose reputation as a curler is overshadowed by his fame as the sharpest wit in Alberta's oldest and largest town, will be master in charge of arrangements.

The Alberta Lassie rink will be guests of the curling club also as Marilyn Johnston.

68% say yes - referendum

A referendum was taken at census time, asking the question "Are you in favor of adding one mill for the purpose of acquiring land for parks and playgrounds which produced the following results from 9,889 units, of which 7,269 replied:

5,009 residents said 'Yes' and 2,260 said 'no.' Which in percentages is 68.2% in favor of the additional mill.

on, Elaine Souness, Irene Fielder and Marie Schulteis have accepted an invitation to the dance and celebration as well.

St. Albert Club is a mite proud of their two Alberta champion rinks and rightly so!

District 3 workshop -child development

On Wednesday, Feb. 20, 1974, Albert Lacombe and Vital Grandin schools will be closed in order that the teachers may participate in an all-day workshop with personnel from the Child Development Centre.

Dr. Silvius and Dennis Brammer will be making presentations to the teachers in an effort to help them understand what causes children to experience learning problems in the classroom. Video-tape recordings of actual classroom experiences will be used to expand and clarify certain types of learning disabilities. A major portion of the day will be devoted to remedial procedures and management techniques within the classroom.

In September 1973 the St. Albert School District 3 entered into an agreement with the Child Development Centre to provide diagnostic, remedial and consultative services for children with learning disabilities. This institute is a follow up to the work which has been occurring between the teachers and the Child Development Centre.

Listen to the kids - Hogle tells Lions

Television programming - including TV news -- does not promote violence or social unrest, members of the St. Albert Lions Club were told last Tuesday.

Bruce Hogle, manager of news and public affairs for CFRN (Sunwapa Broadcasting) said television provides the 'ideal scapegoat' for the public, a basis of blame for society's ills.

In a discussion that focused on the problems facing society's youth, Mr. Hogle congratulated the club for its many activities related to the teen-age population within

the community. He encouraged Lions to demonstrate not only a general concern, but also become active in programs that endeavour to recognize particular problems confronting youth.

"When you take an inventory of society's problems and stack them up against the programming in the television media, it's quickly obvious that this media does not contribute to the unrest predominant today in society," said Mr. Hogle. He suggested parents should examine more closely their

Continued on page 2.

Snow on the roof can mean hard work or great fun - depending on how one sees the situation. Mr. Hamilton on Gordon Crescent was busy cleaning his off one afternoon last week and a short distance away the cameraman found three young people on Granite Avenue who really peaked with Roofus The Lofty Snowman.

- impasse

Continued from page 1.
said we were just hiring a planner and needed time." Then we were bombarded with applications for major development. If Mr. Shapiro and Mr. Hutton are behind with their development outline plan for the area, it is at least partially council's responsibility. We should pass this bylaw and not pass the tabling motion. In the narrowest context this might look like bad planning, de Bruijn added, and I can't

express myself without disclosing matters discussed in camera."

Coun. Bakker said "we can't zone it back after we get the outline plan." "First the plan - then rezoning - not the other way around."

Mr. Shapiro stated the seriousness of his position - "If you do not pass this rezoning, the door will be closed on us, and we can't go ahead with our plans to develop our property in the

area. If this is not passed we have no chance to think of the future of Ball Estate."

"It is not council's function," said Coun. Bakker, "to bail out any individual." Coun. de Bruijn immediately pointed out that it had been a decision of council as a whole on this particular parcel which led to the parking zoning for Lot 9 in the first place.

Vote on the Thronson motion to table to full council lost 3-3, with de Bruijn, Lukay and Gibbon opposed. Vote on the Bakker motion to table for an outline plan lost 3-3 and vote on second reading lost 3-3, with de Bruijn, Lukay and Gibbon voting against Thronson, Bakker and Fyfe in each case.

The matter will come before council again when the hotel owners bring in a development proposal for the area, or if it is raised by a councillor under "new business."

listen to kids

Continued from page 1.
own lifestyles and activities to see if perhaps more time couldn't be spent with their sons and daughters, instead of leaving television to serve as the convenient babysitter.

The Edmonton broadcaster issued a challenge to the Lions to join with his media and other concerned groups within the community to take positive action in combatting venereal disease, drugs, alcoholism and a climbing suicide rate among Alberta's youth.

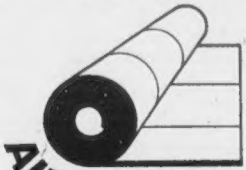

"Your active community participation through sponsorship of student exchanges minor hockey tours, air cadets and Leo Clubs may seem trivial when looking at the scope of the problems, but yet, if you didn't do it, no one else would," he told Lions.

"There's still a greater role for your clubs, and others like it, in making St. Albert an ideal community. Why not talk to the kids... they'll tell it like it is and give you the beginnings of what could be a viable community service, not just by Lions, but also other service clubs working together."

Lion President Jack Garrett later told The Gazette that the Board of Directors will be reviewing Mr. Hogle's remarks with a view to establishing a community forum to identify and rectify problems facing this community.

Lions will host their District Governor at their next supper meeting, February 19 at the St. Albert Inn.

Key people for this year's Winter Carnival at Sir George Simpson School are captains of the school's four houses, all named for famous explorers of Western Canada. From left are Clayton Kubberus and Susan Kisil of Thompson House; Erin Tate and Robert Walkingshaw of Fraser House; Jill Green of Hearne House; Judy Anderson and Don Worden of Henday House. Missing is Bob Drysdale of Hearne House.

Carnival dates set at Simpson School

Sir George Simpson Junior High will be celebrating its winter carnival days from February 25 to March 1 and the house captains will be leading their houses in the activities planned for that time. Both indoor and outdoor activities are planned,

with a penny carnival for the Grades five, six and seven, and variety nights which are planned for the evenings of winter carnival week. Outdoor activities are also being arranged for all grades.

The house captains will

also be competing in the winter carnival King and Queen contest. The selection of king and queen is by purchase of tickets. The candidates with the greatest number of tickets sold, will be elected king and queen, on Monday morning, February 25.

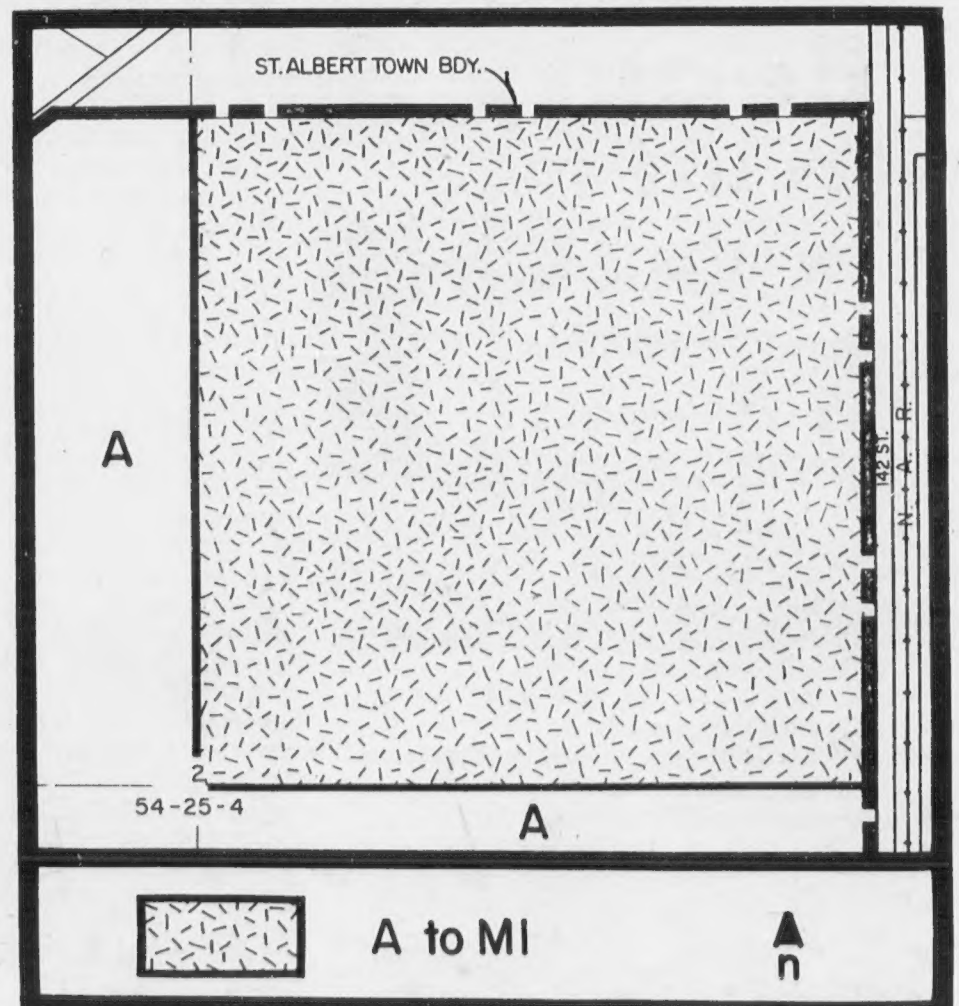

(A RESOLUTION IN SPICE FORM)

Town of St. Albert

NOTICE OF PUBLIC HEARING

The Council of the Town of St. Albert, having been given authority under Section 119 of the Planning Act 1970 R.S.A. as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone NE 2-54-25-4 as shown on the map as being part of Bylaw No. 10/74 from Agricultural (A) to Light Industrial (MI).

The proposed Bylaw No. 10/74 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Clubhouse on the 11th day of March at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 5th day of March, 1974. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

R. B. Bowen,
Secretary-Treasurer.

A new service went into operation at the Sturgeon General Hospital on February 1st. A large refrigerated unit containing fresh flowers now stands near the elevators in the front foyer. The flower service is run in conjunction with the Sturgeon General Hospital Auxiliary Gift Shop and hours of operation are 1 p.m., 3:15 p.m., and 7 p.m. - 8:15 p.m. daily. Mary Bondarevich, auxiliary president is at left and Lois Fabi, member in charge of the gift shop is seen at right.

Special service for Scout & Guide Week

February 17 - 24 is Scout and Guide Week in Canada. Founded by the late Lord Baden-Powell, scouting and guiding provides an opportunity for boys and girls to prepare themselves to lead happy useful lives and introduces them to adventure out-of-doors.

It is estimated there are 300 boys and 500 girls now involved in the program in St. Albert with approximately 100 volunteer leaders.

To celebrate scout and guide week the Landing Trail District Cubs and Scouts and

the St. Albert Division Girl Guides are holding a service for all cubs and scouts, brownies, guides and rangers. It will be held on Sunday, Feb. 24 at 2:30 p.m. in the St. Albert Roman Catholic Church. The guest speaker will be the Hon. Grant MacEwan, Lieutenant-Governor of Alberta.

The program will last approximately an hour and parents are very welcome to attend.

Persons taking part in the service are asked to be at the

church at 2 p.m., all others are to assemble with their respective groups at 2:15 in the church basement.

Of special interest to guides during Scout and Guide Week is Thinking Day, which is celebrated each year on Feb. 22, the birthday of both the Founder, Lord Baden-Powell and Lady Baden-Powell who is the present World Chief Guide. On this day Canadian Guides and Brownies contribute to the World Friendship Fund which promotes Guiding in the world and assists children of other countries during national disasters.

Lady Lions hear variety of reports

The February meeting of St. Albert Lady Lions was held at the home of Betty Thronson.

Marilyn Garlepy, convener of the Sweetheart Ball Committee gave her final report on the organizing of the annual Ball.

Shirley Parkin, co-convener of the Heart Fund Blitz in St. Albert gave instructions to her captains. Kits would be picked up by the canvassers at the Clubhouse on Tuesday, Feb. 12 and Tuesday evening Feb. 19th "The Blitz" will be held.

Marilyn Garlepy and Cindy Riley gave the highlights of their attendance at The Mid-

Winter Conference in Kallispell.

The nominating committee chaired by Cindy Riley will have a report ready for the March meeting.

Elsie Snider will convene a committee to investigate the requirements of sending children to Camp He Ho Ha next season.

The March meeting will be a dinner meeting at the St. Albert Inn on Monday, March 11. Executive meeting will be at the home of Bert Freethy on Monday, Feb. 24.

Sweetheart Ball on Saturday, Feb. 16 at the Community Hall. If you haven't already bought a ticket give Nancy Wilson a call at 459-4403 or any member of the Lady Lions will help you out.

Opera Guild

The Edmonton Opera Guild will be presenting its glamorous fashion show in two performances at the Chateau Lacombe on February 25.

Latest spring fashions will be presented by Holt Renfrew, with musical background by none less than Harry Farmer. Well known city personalities Gwynneth Garland and Colin MacLean will comment on the exciting new spring lines and 'Sing into Spring' is expected to be a sell out.

Tickets at \$2 and \$2.50 are available from the Opera Box Office, Holt Renfrew or June Leggett in St. Albert 459-8802.

Letters to the Editor

Parents missing out

The Editor:

This year we have three boys in minor hockey, two in shaver - (ages 7 and 8) and one in bantam - (age 13). At the shaver games, the arena is full of very proud, enthusiastic parents, grandparents aunts, uncles and assorted friends. Terrific, these little men are great entertainment. At the last bantam game, there were approximately 25 boys playing and eight parents watching, including four coaches!!

Come on now folks, what were you doing at 6 o'clock on a Monday that was so important? Or at 5 on a previous Saturday afternoon? Or on any night your son is playing hockey.

You spent anywhere from \$50 to \$100 maybe more on hockey equipment (and registration fees) for him, now

why aren't you there to see how its being used?

These boys, big as they are STILL look to the stands when they are in a particularly good play, but alas, are getting more praise and applause from their team mates

This is not only true for hockey parents but we have witnessed it at soccer and baseball games on a warm summer evening when the weather is beautiful, but for some reason beyond me there are only about 15 spectators at any game. Also true of indoor sports, basketball, volleyball etc., where children are involved.

Come on parents, you really don't know what your missing! BUT your son sure does!!

Myrna Derieu,
Springfield Crescent.

Snowmobile fiasco

The Editor:

The recent quashing of the Snowmobile Bylaw would be amusing if it didn't hurt. Besides losing a season's normal use of my snowmobile and a five dollar membership in the Snowmobile Association, I find myself, as a taxpayer, paying for the drafting and unsuccessful defense in the courts of an ill-conceived and discriminatory bylaw.

Discounting the ill-will generated by this bylaw, what is the monetary cost in council time, legal drafts, legal representation, court costs and penalties? Who is responsible for this fiasco? Was it the councillors who pressured for the bylaw or was it the fault of the legal firm through lack of knowledge or

research? Certainly when an ordinary layman could have it quashed then it follows that the bylaw was drafted from emotion rather than reason.

It appears to me that Provincial Legislation and regulations provide for adequate controls on snowmobiling. Several years ago snowmachines were a nuisance in the town, however, the licensing and insurance regulations solved most of the problems caused by inconsiderate or indiscriminate operators.

I hope that council in its renewed wisdom does not find it necessary to spend time on any further snowmobile bylaws.

J. S. Kaminski.

Snowmobile bylaw quashed

Following the hearing of Art Perrott's case against St. Albert's Snowmobile Bylaw the judge reserved his decision some two weeks, and in the interval Mr. Perrott presented a written submission on his position.

He was advised by a phone call from the Clerk of the Court that the bylaw had been quashed, and that he had been awarded \$200 costs.

Copy of the judgement listing the judge's reasons for the decision is tucked in the purse of Art's wife, who is presently skiing in Jasper,

so the reasons will have to wait for publication next week.

Commenting on the matter, Mr. Perrott felt it wasn't fair that the entire council should be 'tarred with the same brush,' saying that Mayor Gibbon, and Councillors de Bruijn and Hudson had consistently opposed Councillors Bakker, Fyfe, Thronsdon in debate on the controversial bylaw, while Councillor Lukay played a lesser role, although he did have a change of mind along the way in as far as snowmobiles on the river were concerned.

Lawyer talks to WI on womens rights

Fifteen members attended the recent meeting of the St. Albert Women's Institute. Mrs. M. Dalman demonstrated the handicraft for the evening, paper sculpture, which generated much interest.

Special speaker for the evening was Mrs. Marcia Rodnunsky, a lawyer with the Attorney General's Department. Her topic was Women's Rights with regard to Dower rights, custody rights, guardians rights and responsibilities. There was a lively discussion about "wills" with everyone much more enlightened by the end of the evening.

Treasurer Mrs. S. Taylor presented the auditors report for 1973.

Mrs. L. Fuhr will be in charge of a bake sale to be held in the near future. A beautifully handmade rug by Mrs. M. Akins will be raffled in July during Klondike

Days. Tickets will be available at the bake sale.

Mrs. K. Bonneville was presented with a 25 year active service pin for her work with the St. Albert group. Six perfect attendance awards were given for 1973.

The next meeting will be held on February 26 at the home of Mrs. S. Taylor, 45 Swallow Cres. Speaker for the evening will be Mrs. Pat Doerksen, Sturgeon District Home Economist. Her topic will be Changing Attitudes Towards Weight Control.

Around Town

We haven't seen much of Gene Perron around town since his retirement from the grocery store, so it was nice to see his picture and story in the current issue of the Gas Company's news bulletin. Gene, who was a part time agent for Northwestern Utilities for many years, is described as being a 'goodwill ambassador over the years,' a "colorful personality and an agent the company has been "proud to be associated with." The article also notes that Gene is the son of an early settler who came west in 1882 and set up shop in St. Albert, and that Perron street is named for his father. He and Evelyn are still tidying up books and accounts and Gene hasn't got into any new

work as yet. "Of course I'm shovelling lots of snow!" Daughter Janet, now at University in London, Ontario and Elaine and husband Jim from Montreal were home at Christmas; Paul is with a trust company in Edmonton and Tubby is dividing his time between hockey and his studies.

The Hockey Fest held Saturday night in the community hall brought the midget and bantam representative hockey teams \$800 closer to their goal of over \$4,000 needed to send the young hockey players on an international tour over the Easter holidays, which will see them play 10 games each in as many days. Coaches Doug Millroy, Doug McConachie and Dick Wilson were well

pleased with the big turn out and support of parents and residents in general of the boy's ambitious project. Town Council voted unanimously Monday evening to provide a grant of \$200., or up to \$530 if needed in the event the extra \$330 cannot be raised by projects and canvass. St. Albert Lions have donated \$1,500 to the tour. Forty players and six adults will be involved.

Marg Raymond had a marvellous six-week holiday trip to the British Isles after 62 years. It was her first trip back to the old country since coming to Canada as a youngster. She visited with her daughter Lena Smith and family, including her two grandchildren and three great grandchildren. Marg said the energy crisis was making life difficult for the people in Lincolnshire, north of London, where she was, and that prices are "right out of this world." Despite the fact that travel was restricted, she enjoyed every minute of her stay.

Brenda Veness, daughter of Mr. and Mrs. W. Veness was honored at a bridal shower on Thursday, Feb. 7. The shower was held at the home of Mrs. Joyce Ryder of 30 Springfield Crescent. Seventeen ladies were present and Brenda was deligh-

ted with the many varied gifts. Brenda and Randy Jaques, son of Mr. and Mrs. D. Jaques will be married on Friday, Feb. 15.

Spring cleaning? Before you throw out baby equipment and toys give Bud Reinger of the Mothers Day Out Program a call at 459-8736.

Jan Can Am

The Jan Can Am featured about 12 entries in a novel project of Grade 9 students in the Science Option course at Father Jan School. The students working mostly in pairs had to design and build their own entries for the race on a 40 foot straight line track. The mechanical or electric models used such items as marbles and rubber balls for wheels. Entries were judged on the basis of 80 points for speed and 20 points for effort, and St. Al-

Andre Chartrand holds the wind propelled hot wheel which was the entry of Ron Holm, left, and himself in the Jan Can Am held last Wednesday afternoon by students of the Grade 9 Science Option course, taught by Paul Chalfoux at Father Jan School.

bert Pharmacy put up prizes for the winning three, which went to Mike O'Hara, Tony Viveiros and the team of Henry Van Wyk and Gerard Bruha.

Bride elect showered

Elly Rapati has been honoured at two bridal showers this past week. Mrs. Joan Jewell of Edmonton held a miscellaneous shower on Sunday and 20 ladies were present. Mary Kamper, who will be the head bridesmaid

at the forthcoming wedding held a shower at her home in St. Albert on Monday evening when 15 ladies attended. Elly was delighted with the lovely gifts she received at both showers. Elly marries David Atkinson also of St. Albert and the wedding which will take place on Feb. 23 will be a double celebration for the Rapati family as Elly's brother Paul will be home to attend the wedding.

Paul, age 23 has spent the past three years visiting Europe, Africa and Australia.

Mother to school teacher: "My Harold is very sensitive. If you ever feel you must punish him, just slap the boy in the next seat. That will frighten Harold into behaving."

REC. NEWS

ARTS AND CRAFTS:

A few openings remain in two additional classes which were scheduled by the St. Albert Arts and Crafts Guild to try and accommodate the "overflow" - an arts and crafts class for the 3 - 5 years olds from 1:30 to 2:30 p.m., on Tuesdays and Thursdays and an upholstery class on Tuesdays from 7 - 9 p.m. There is one opening in the ceramics sculpture class and a very few in primitive weaving and lapidary.

There are also openings in the five-week multicraft class for teens which is scheduled for Thursdays from 7 - 9 p.m. (starting on Feb. 21) when different crafts will be taught - copper enamelling, painting, macrame and weaving. Anyone interested in registering for any of the classes mentioned above should phone Lois Folkins at 459-7344 without delay; all classes start during the week beginning Feb. 18.

WEAVING:

If enough people are interested, an experienced teacher of weaving is available to instruct in a workshop situation. Some experience in the craft would be required but if interested in furthering your knowledge (and particularly if you have a loom), please let Lois Folkins know.

MODEL AIRCRAFT

Propellers for the aircrafts made by Mike Kay's advanced model aircraft class before Christmas are now available at the Recreation office in the Town Hall.

Tobogganing is fun but can also be dangerous - especially on the "Seven Hills" in Mission Park. Attention

is again drawn to the sign at the top of the hill which states that accidents are happening and that anyone hurtling down the hill does so at their own risk; the town is not responsible.

CROSS COUNTRY SKIING:

The outdoor session of the cross country skiing clinic will be held on Sunday, Feb. 17 at the Viscount Stables, five miles east of town. It will be a day-long affair from 9:30 a.m. till approximately 5 p.m. Details were given in last week's Gazette.

Those requiring transportation out to the stables should meet at the Teen Centre on Mission Avenue at 9:30 a.m. on Sunday. It is hoped that by then the Kinsmen bus will have re-

covered completely from a 'virus' which at the time of writing is making it immovable. However, arrangements are being made for cars to be available if the bus is still on the sick list.

GOLF:

The annual learn-to-golf school will start around the middle of March and an advertisement will appear in the Gazette within the next few weeks.

FIGURE SKATING

CARNIVAL:

A reminder to keep either the evening of Saturday, March 30 or the afternoon of Sunday March 31 free so you can attend one of the performances of the annual carnival at present being organized by the St. Albert Figure Skating Club.

CHESS:

Don't forget you can get relaxation through mental

exercise if you attend the weekly get-togethers of the St. Albert Chess Club on Wednesdays at 8 p.m. in the Clubhouse (beside the swimming pool). If interested in playing in the club, phone Mr. Stuart Embleton at 459-8937.

SQUARE DANCING:

The St. Albert Saints and Sinners will hold their next regular dance on Saturday, Feb. 16 in St. Alexander School.

For information about the activities of our local square dance group please phone Mr. and Mrs. Terrault at 459-6896.

BADMINTON:
Because of a school activity in Paul Kane High School on Saturday, Feb. 16 the badminton group which usually plays there on Saturdays will play in St. Albert High School instead.

Borger seeks Liberal leadership

Dr. John Borger, president of the Pembina Federal Constituency announced his candidacy for the leadership of the Alberta Liberal Party at the Constituency meeting Monday night in Edmonton.

The election of a new leader is to be held during the upcoming Provincial Alberta Liberal Leadership Convention March 1 and 2 at the Chateau Lacombe in Edmonton. John, president of an Alberta Consulting firm, has been active in the Liberal Party for several years having served in the capacity of candidate for the 1972 Federal Election, president of the Federal Pembina Constituency, chairman of the Alberta Delegation to the National Liberal Convention to Ottawa, and member of the Alberta Federal Liberal non-elect caucus, respectively.

He was born and raised on a homestead in the Peace River country and on his own initiative attained no less than four university degrees and a doctorate. He served as a police

officer for the City of Edmonton, and was a professional football player for the Calgary Stampeders.

Mr. Borger was a teacher and chairman of the Division of Mathematics and Science at Concordia College and served in the position of athletic director at Mount Royal College in Calgary.

John Borger resides with his wife and six children at 102 Larch Court, Sherwood Park.

Congratulations

AND ALL GOOD WISHES!
ON THE BIRTH OF THE BABY!

The Welcome Wagon hostess will bring a basket of gifts for new babies and parents. Please telephone Connie Tremper at 459-6729, and let her know when there is a new baby in your house.

The hostess will call on all babies six weeks and under if she is informed of their arriving.

● A Fish Derby with no fishing

There wasn't any fishing at the annual Fish Derby by Landing Trail District Scouts held Sunday, but that didn't stop 37 boys and nine adults from having themselves a lot of outdoor fun at Poole Camp on Lake Wabamun.

After a skidoo got bogged down in the bay area where the ice fishing had been planned, leader Art Barnes did some investigating and decided he could not risk the safety of the Scouts by letting them fish there. There was about eight inches of water under the snow on the ice surface of the bay. The Poole Camp warden said it had not been there the Friday before, and that in fact this was the first time he had seen water like that in the area.

Snowshoe races and competitions were organized, including some downhill events which had bodies flying in all directions at times.

The young fellows really came into their own in the snowball fight however, forcing the adults off the strategic hill which the leaders, parents and one Uncle at Large had taken over in anticipation of a victory. District representative Ray Evans and Phil Sturges were snowed under but good by the agile scouts.

On the training side of activities the boys built lean-to shelters and cooked foil dinners out of doors. They left at 8 a.m. and got back to St. Albert about 4:45 Sunday. Landing Trail District includes scouts from St. Albert and Morinville.

The Commonwealth Sports Development group at Percy Page Centre surprised their co-worker Gord Bertie with a "Congratulations" cake Thursday afternoon. When they came in bearing the cake and singing "For he's a jolly good fellow," Gord, a naturally shy fellow, was dumbfounded and couldn't think of a thing to say. Gord won a silver medal for wrestling at the Commonwealth Games in Christchurch, New Zealand. From left are Ken Porter, Harold Miller, Peter McCaffery, Maureen Dawson, Carole Sharp from Sport Alberta office, Dorothy Marsham, Chris Knight, Barbara Meredith, Centre administrator, and Art Burgess, Project Co-ordinator of the Commonwealth group who are presently renting space in the Centre.

Birth

Rick and Adrienne McLeod would like to announce the birth of Christopher Aubrey, February 8th at Royal Alexandra Hospital.

Psychiatrist will speak to parents

The second of a series of parent programs, sponsored by the Creative School Society will be held Tuesday, Feb. 19 at 8 p.m. in the assembly area of Sir George Simpson School.

Guest speaker will be Dr. Ron Anderson, psychiatrist at the Alberta Guidance Clinic. His topic for the evening is "Emotional Development of Young Children," a topic of particular interest to all parents of pre-schoolers.

There will be a question period and discussion following Dr. Anderson's address and parents are asked to come prepared to participate. Coffee will be served and it is hoped residents will take this opportunity to meet some of the parents in St. Albert.

Paul Kane to host basketball tourney

On Saturday, Feb. 16, Paul Kane High School is hosting its first annual Invitational Junior Basketball tournament. Visiting schools will include boys and girls teams from Morinville, Boyle and Fort Assiniboine.

The first game starts at 9 a.m. with continuous action throughout the day, culminating with the girls finals at 7:30 p.m. and the boys finals at 9 p.m.

Paul Kane's first game will be in the morning when the girls meet Morinville at 9 a.m. Paul Kane boys will play their first game at 10:30 a.m., also against Morinville.

This tournament will be

an excellent opportunity for parents and friends to see Paul Kane's Junior Teams in action.

Marilyn Johnston rink to represent Alberta

Usually, the once-a-week curler is like the Sunday golfer, he can't really expect to get very good at the game.

To be good, the experts say, you really have to get at it.

But along comes Marilyn Johnston, a once-a-week curler in the Wednesday night ladies league at the St. Albert Curling Club, and all she does is walk on with the Alberta championship.

"We began curling in St. Albert four years ago because it was the only place we could get together. We can't curl afternoons," the skipper of the rink, whose members all live in Edmonton, said on her return from Medicine Hat, where they won the right to represent Alberta in the Canadian championship in Victoria, Feb. 24 to 28.

"We really haven't had much ice time since Christmas. We competed in the St. Albert cashspiel and also in the Tournament of Pearls before Christmas, but since then have played only once a week and thrown a few practice rocks here and there."

Mrs. Johnston says, however, that the rink will be stepping up activities in preparation for the Canadian final.

"There was a shortage of ice, with playdowns being held in all the clubs," she said, "but there is ice available now. We will be using it."

The Johnston rink has put together 12 straight wins since embarking on the play-off trail in St. Albert. Does it bother her that the law of averages may be working against her. Not a bit.

"In Medicine Hat, I didn't even know about it. They were telling me how many wins we had going. I just worry about the person on the ice."

Mrs. Johnston, Ste. 402, 10610 - 111 Street didn't seem to worry much on her way to the championship. She and mates Marie Schultheiss lead, Ste. 104, 10625 - 113 St., Elaine Souness, third, 6611 - 108A St., and Irene Fielder, second, Ste. 38, 10987 - 127 St., expressed reservations about only one game.

"We were a little concerned about Beaton (Polly Beaton of Medicine Hat, who had represented the South 12 times and who was playing on home ice). She had far more experience, being there so many times before," Mrs. Johnston said.

"Also, we hadn't seen her before, as we had with many of the others we had played, so we didn't know what to expect."

Well, it certainly wasn't anything they couldn't handle. The Johnston rink went to work and defeated Beaton 9-6 in the opening game and

followed up that night with a 7-6 win over Gloria Nolan of Yellowknife.

The Johnston foursome didn't go near the rink the following morning as Beaton and Nolan fought it out to see who would come out of B event to challenge Johnston for the title.

It was Beaton, and Johnston did it again, drawing the four-foot in an extra end to win 8-7. Beaton would have had to win two straight to come out ahead.

The Johnston rink has done quite well for itself since they decided to enter the playdowns four years ago. They didn't get anywhere the first year, then reached the north final two straight years before bowing to Betty Cole.

"This year," Mrs. Johnston said, "it just seemed to all fall together and it couldn't have happened at a better time."

Amen, say her St. Albert clubmates.

Comets face Jasper

Jasper Auto Parts Comets travel to Jasper this Saturday for the first round of the provincial playoffs in intermediate 'A' action. Jasper Royals will return to St. Albert Sunday, Feb. 24 for the second in the two game total goal series.

Last year the same two teams met in an exciting series in the second round with Jasper Royals defeating the Comets 7-2 in Jasper in the first game. Most people felt the five goal edge was too much for the Comets to overcome. St. Albert fans, 800 strong, packed the St. Albert Arena the following night and were treated to one of the best games of the season. Comets scored four straight goals in the first 10 minutes of the opening period to pull within one

goal. Jasper scored late in the period to take a two goal lead at the end of the first period. St. Albert scored early in the second only to have Jasper come back with two goals midway for a three goal lead. Comets scored two more late in the period and after two periods Jasper led 10-9. Jasper scored early in the final period to open up a

Two weekend wins leave Comets in top spot

A pair of weekend wins moved the Jasper Auto Parts Comets into sole possession of first place in the eight team Edmonton Central Hockey League. Prior to their 10-0 win over Westlock Friday and a 5-1 victory Sunday in Stony Plain, Comets were tied for top spot with Sherwood Park Barons. Barons lost a committee room decision in a game against Westlock Eagles when they used two ineligible players. Barons 5-1 win was reversed in favor of Westlock putting them two points behind Comets. Westlock, with 37 points, are one point behind Sherwood Park and three behind St. Albert and they have a game in hand on both clubs.

On Friday the Comets couldn't do anything wrong and Eagles couldn't do anything right, it was just one of those games.

Andre Contant slid home Gary Leskow's shot from the point at 2:20 of the opening period and it proved the only goal the Comets needed as goalie Zane Jakubec shut-out Westlock. Harvey Kirkland fired home another rebound from Randy Clark's shot from the point at 7:40 to make it 2-0 and at 13:55 Perry Pearn scored on a

screen shot from just inside the Eagle's blueline.

Contant got his second of the period at 14:12 when he was left alone in front of the net and drilled home a perfect pass from Leskow. Kirkland made it 5-0 at 15:44 with a backhand that somehow found the mark through a maze of players. Kirkland scored the only goal of the second period on a nice passing play with Clark that Eagle goalie Paul Provincial had no chance on.

The final 20 minutes was all Comets as they poured four more goals in for a 10-0 win. Paul St. Cyr scored a pair while Leskow and Contant added the others. Contant's third goal, midway through the period was from a slapshot that found the range from 50 feet out. No one in the league gets the shot away as fast or as hard as Contant and none are any more accurate.

ANDRE CONTANT

Jakubec had a fairly easy night but was sharp on three or four occasions. The league leading scorer Leo Provincial had a clean cut breakaway in the second period but couldn't get it by.

ZANE JACUBEC

Sunday in Stony Plain saw Kirkland score two second period goals in their 5-1 win. Al Laplante scored the only goal of the first period while Leskow and Pearn scored with Kirkland in the second for a 5-0 lead. Ex-Comet Hans Gors scored Stony Plain's only goal midway through the final period. Comets #2 puck stopper, Wally Wencek was scheduled to start the game for St. Albert but was out for eight stitches in the pre-game warm-up.

Comets travel to Leduc Friday night for a make-up game re-scheduled from late December. On Sunday Westlock Eagles will be back for a game starting at 7:30.

Playoffs get underway in Sturgeon Hockey League

Semi-final playoffs in the Sturgeon Valley Senior Hockey League got underway Tuesday night with the game results not known as our sports page went to press.

Legal and Morinville are in one series while Calahoo and Namao renew their feud in the other best of five series.

Legal wound up in first place in league play with 33 points on 15 wins, three losses and three ties. Namao finished second with 29 points while Morinville came in third with 28 and Calahoo took the last playoff spot with 27 points.

For the entire 21 game schedule no team had more than a three point lead at any time and all clubs shared or held first place at one time or another. The league was extremely interesting for both players and fans.

Darcy Brisson of Legal captured the scoring title on 18 goals and 17 assists for 35 points. Andre Contant now with the St. Albert Comets was last year's winner with 53 points including 28 goals. Darcy's team-mate Dennis "Red" Pelletier took the runner up spot with 32 points on an equal number of goals and assists. Two Calahoo players tied for third, with

GERALD MCGINN

Jacque Contant and Gary Atchison getting 30 points each. Contant led the league with 21 goals while Atchison had 20. Leroy Coulombe of Legal and George St. Laurent of Morinville led the league in assists with 20 each.

Calahoo's Gerald McGinn was the top goalkeeper once again allowing only 47 goals for an excellent 2.23 average.

PLAYOFF SCHEDULE

Legal - Morinville Series: Feb. 12 - Legal Arena; Feb. 15 - Legal Arena; Feb. 17 - Morinville Arena; Feb. 19 - Morinville Arena if necessary; Feb. 21 - Legal Arena if necessary.

Namao - Calahoo Series: Feb. 12 - Morinville Arena; Feb. 15 - Morinville Arena; Feb. 17 - Legal Arena; Feb. 19 - Legal Arena if necessary; Feb. 21 - Morinville Arena if necessary.

The winners of the series will also hook up in a best of five series as soon as possible following the semis.

Bruins take trouncing from Sherwood Park

St. Albert's Junior Bruins split a pair of games last week losing 13-3 Tuesday to Sherwood Park Knights and winning 8-1 Sunday over Fort Saskatchewan Traders.

Tuesday's game with the first place Knights was a disaster when Sherwood

Park scored four goals in the second and seven more in the third period. Bruins managed one goal in each period as Jay Litke, Bob Wallis and Tim O'Neil scored in that order. Gord Stewart led the Knights with four goals. On Sunday things took a

turn for the better with Bruins coming up with a well deserved 8-1 win over cellar dwelling Fort Saskatchewan Traders.

Mike O'Neil scored the only goal of the first period with Marcel Tourangeau drawing the assist. St. Albert won it in the second with five straight goals. Bob Wallis, probably the Bruins best forward, scored what proved to be the winner at 4:30 of the period with line-mate Jim McComb assisting. Mike Pearn added the insurance goal at 6:58 and Craig Neeser with his goal at 12:39 made it 4-0. Wallis and Tim O'Neil rounded out the second period scoring for a 6-0 lead after 40 minutes of play. Alex Jensen, moved up to the forward line, made it 7-0 and Kelly McAvoy finished off the Bruins scoring. Fort finally got one past rookie goalie Carey Winquist at 9:29 for their only goal.

Bruins next game will be in Sherwood Park Friday night and Sunday they will be in Fort Saskatchewan.

Fire Chiefs hot

A 6-3 victory over Westlock on Saturday night saw St. Albert Fire Chiefs run their record to 12 wins and three losses in the bantam division of the Northern Alberta Minor Hockey League.

Chiefs were caught in a 1-1 tie after the first period, although they outshot Westlock about 20-2. The second period saw Chiefs connect for four unanswered goals to put it out of reach.

Blake Millroy scored twice for Chiefs and Gilbert Longpre, Joe Tworek, Ronnie Sander and Kenny Young had one each. Glen McRae went all the way in goal.

Chiefs defeated KC Cougars AA from the city 5-2 at St. Mary's arena on Sunday afternoon.

The teams were tied 2-2 after the first period but Chiefs took command with three goals in the second.

Larry Sander, with two goals, Ronnie Sander, Jimmy Scheibelhofer and Young handled the Chiefs scoring. Kevin Jennings went the route in goal.

Chiefs over-all record for the year is now 24 wins, five losses and three ties.

Betty Anderson, centre, presented the Gateway Building Supplies trophy on behalf of husband Casey to the Liz Gemmell rink, top winners in the Ladies Open. From left are third, Barbara Gemmell; skip Liz, lead Carole Dunster and Bonny Anderson, second.

Gemmell rink wins Ladies Open

The Liz Gemmell rink captured top honors in the annual Ladies Open Bonspiel held last week in St. Albert, defeating - Skinny York's by a surprising 10-0 margin in the final Thursday afternoon as the York rink fell apart at the seams. Liz had Barbara Gemmell, Bonny Anderson and Carole Dunster. Playing with Skinny were Pearl Quintal, Marilyn Quintal and Flora Burry.

In the B event final fans were treated to a hard fought match which went to the final rock, as skip Lucille Osborne came through to defeat Edith McIntyre's Edmonton team. Curling for Lucille were Lynn Johnson, Marion Berg and Joyce Perrin.

Betty Anderson and crew had no trouble in C event final, winning handily over

clubmate Darlene Clark and her rink. Betty had Marion Murray, Lota Whitford and Julie Sabourin.

Shirley Fisher took third place in A event and Joan Jennings of the Thistle was fourth place winner. In B event Ruth Elligott placed third and Laverne Hutcheon, fourth. Claire Bonneville's squad finished third in C event and Bernie Durward took fourth.

The St. Albert club members provided the food for Wednesday's banquet, atten-

ded by 150 curlers, and it was 'just fantastic' said president Betty Fenton, who also felt the girls in charge of entertainment really excelled this year. Their original skits and songs brought the house down. The visiting curlers were warm in their praises of the great curling and hospitality and local club members received a host of compliments. The event attracted a full entry of 32 rinks and was run off Tuesday, Wednesday and Thursday of last week.

PROVINCIAL PLAYOFFS

Now is the time of year our representative teams start action in the provincial playoffs.

The Pee wee Lancers, under coach Stan Harkness play in St. Albert Friday night against Leduc at 7:30 p.m. On Sunday they return to Leduc for the second game in the two game total goal series. Game time 4 p.m.

Doug Millroy's Fire Chiefs bantam squad meets Barrhead here Thursday night at 7:30 and travel to Barrhead Sunday afternoon (3:00 p.m.). This also is a two game total goal series. Fire Chiefs have played six league games with Barrhead, winning four and dropping two.

Soccer sessions to train representative players

Hercules soccer coaches will be holding combined EMYSA representative team selection and training sessions at Sir Alexander MacKenzie school gyms every Monday and Friday commencing Monday, February 11. These sessions will be divided into four groups based on the boys age on his 1974 birthday. Times, age groups and coaches are as follows:

MONDAYS - 6:30 - 8 p.m.
9 - 10 yrs., John Meara;
8 - 9:30 p.m. - 11 - 12 yrs., Herman Kochan.

FRIDAYS - 6:30 - 8 p.m.
7 - 8 yrs., Herman Kochan;
8 - 9:30 p.m. - 13 - 14 yrs., John Alliston.

All boys wishing to try out for these eight teams (two from each age group) should report to the gyms.

Boys wishing to try out for these eight representative teams (two from each age group) should attend the gyms on the nights and times shown. Selections will be made by the respective coaches based on soccer abilities shown at these sessions.

Due to space limitations it is not possible to organize similar sessions for the 15 - 16 age group (midgets) until later. However any boy in this age group wishing to try out phone Ken Armstrong at 459-8081 and leave his name, phone number and date

of birth. They will be contacted later.

Registrations for the 1974 soccer season will be held on Tuesday, Feb. 26 and Tuesday, March 5. Times and locations will be announced as soon as they have been arranged. Boys born from 1958 to 1968 inclusive are eligible. Registration fees will be \$5 single and \$7 family membership.

Some interest has been

indicated in forming a girls team. If enough girls in approximately the 12 - 14 age group are interested we could arrange competition with one or two girls teams in Edmonton and maybe even one or two boys teams in St. Albert.

Final decision will be made after registrations have shown the interest involved.

Midgets blast Barrhead

St. Albert Midgets went on a scoring rampage Thursday, bombing Barrhead 14-1 in a Northern Alberta Minor Hockey League game in St. Albert.

Paced by captain Darrel Billsten and right winger Gary Ferguson, the St. Albert Barons skated to 5-0 and 8-1 period leads.

Billsten scored twice and assisted on three others for a five-point outing, while Ferguson registered his second consecutive hat trick and added two assists for an identical output.

Lloyd Olson picked up two goals and assisted on two others, while other goals came from Chris Hoffart, Earl Evanlew, Doug Cinna-

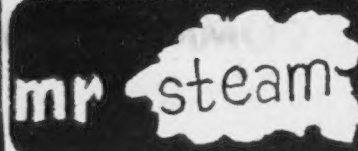

mon, Sandy Millroy, Terry Leddy, Steve Foreman and Wayne Kuzio.

The win was St. Albert's 14th straight in league play.

A game scheduled against Ardrossan Thursday at the Arena has been forfeited by Ardrossan to the midgets. St. Albert has scored 3-2, 12-0, 7-2 and 5-1 victories over Ardrossan during the season and is scheduled to meet Ardrossan Sunday in Ardrossan.

In provincial playdowns, the Midgets are scheduled to meet Leduc in the opening round, although dates for the games have not been decided.

The playoffs are two game total goal contests.

Nordic Ski Club holds Sunday Outing

On Sunday afternoon 25 - 30 members of the St. Albert Nordic Ski Club had an enjoyable session exploring some of the "Trails" in the Big Lake area. Despite the extremely warm conditions, and the obliteration of most of the trails by snowmobile tracks, a good time was had by all. It was great to see a

large number of juveniles trying their hand at cross country skiing.

Mrs. Ethel Cuts again provided coffee, hot chocolate and chips, and dispensed these from her camper. Thanks go to the St. Albert Fire Department for use of the fire hall facility.

Next Sunday the club are having a whole day outing to Viscount Stables where they will provide the refreshments for the town's Ski Clinic and run a recruiting drive during the day. During the week trails will be out at Viscount Stables and everyone is welcome to come out and use them.

Anyone interested in joining the St. Albert Nordic Ski Club may use the cut-out in last week's Gazette or contact Ken Rothwell at 459-5131.

The club will hold a general meeting at the Percy Page Centre on Tuesday, Feb. 19 at 7 p.m. Among the items to be discussed will be - rental or purchase of an Alpine Snowmobile for track setting; fund raising drive; the club's program for the rest of the season. There will also be a discussion on summer activities and the possibility of involvement in the St. Albert Cycling Club program. Anyone with items for inclusion on the agenda please phone them in to Louise Stanley at 459-4831.

A film will be shown on the Blue Lake facility and on cross country technique and waxing, by two C.S.A. instructors. Those attending should bring their skis for a short session after the meeting in Mission Park.

Comet Fans

Jasper Auto Parts Comets travel to Jasper this weekend for the first round of playoffs for the Intermediate A provincials.

Comets are leaving by bus from the Arena Saturday at 1 p.m. and will arrive in Jasper about 5:30 p.m. Game time is slated for 8:30 with the team returning from St. Albert shortly after the game.

There are only about 10 or 12 seats available for fans at \$10 each (not including game ticket - \$1.25). Anyone interested please call Larry Mitchell at the Sportshop - 459-5200.

PARTY LINE

Plans are being made for the combined Thinking Day Service for all cubs and scouts, brownies, guides and rangers in St. Albert. The service will be held Sunday, Feb. 24 at 2:30 in St. Albert Roman Catholic Church. Please watch for further announcements.

Tickets for the Shamrock Festival to be held at the St. Albert Community Hall on March 16 are now available. Tickets for the evening are priced at \$8 per couple for an all inclusive evening and can be reserved by phoning 459-3968, 459-7957 and 459-4515. The Festival is sponsored by the Sturgeon General Hospital Auxiliary and all proceeds are donated to the hospital.

Saints bomb Legal

A three goal performance by Tom Shipanoff and shutout goaltending from Lee Olesen gave St. Albert Saints Mite A team a 13-0 exhibition win over Legal Co-op.

Ken Myek, Jamie Sanders and Danny Laplante chipped in with two each while Craig Rusnak, Brad Anderson and Rob McLean added singles. Saints next exhibition game will be in Westlock Saturday.

COMMERCIAL LEAGUE

Danny Vars six goal performance led the Kinsmen Warlords to a 16-2 win over Belcourt. Power Kags last Thursday in the St. Albert Mens Commercial League action. Dick Buttrey added four more while Don Hurl and Terry Moore had a pair each. Dick Peabody and Bill Mills scored for Belcourt.

Vars also added six assists for an excellent 12 point evening which has to be a league record. Maybe Dan should give Bill Hunter a call.

The Black Ash is the only ash tree growing in Newfoundland.

Quality for Less!

Brand new three bedroom bungalow, shag in living room, and master bedroom, spacious bar-type kitchen. Located in Legal only 30 minutes north of City. Buy it, as is, for \$17,500 or finished for \$23,500. To view please call - LILLY McNeil or MILAN FISCHGRUND at 476-8621, RES. 454-2646, or 478-5130.

Happiness is being retired and able to afford it.

Unfortunately, getting older doesn't mean getting richer. On the contrary.

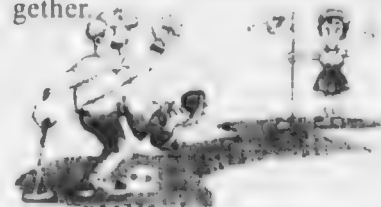

In fact, more than half of retiring Canadians have to live on less than \$3,000 a year.

Fortunately, you can do something that'll make you better off when you retire. Section 146 of the Income Tax Act permits you to deduct up to \$4,000 from your annual taxable income for the purchase of a Registered Retirement Savings Plan.

Metropolitan Life has many plans—both annuities and permanent life insurance—eligible for registration. Such a plan lets today's tax deductible dollars help you to build additional retirement income.

If you're interested—and you should be—write or give me a call.

Then we'll work it out together.

U of A Professor will preach here

The Rev. Dr. Richard C. Smith, Associate Professor of Classics at the University of Alberta, is to be the guest preacher at Braeside Presbyterian Church, Sunday, February 17 at 11 a.m.

Born in Oklahoma, Richard Smith received the major part of his academic training at several American Universities before moving to Edmonton. After graduating with honors in History from Austin College, Texas, he entered Louisville Presbyterian Theological Seminary. Upon graduation he served as the minister of two Presbyterian churches in Kentucky, as well as completing his Master's Degree

in Ancient Languages. In 1961 he was awarded the Ph.D. degree for his work in Ancient History from the University of Illinois. During the three year period of his doctoral studies, he also ministered to the Presbyterian congregation in Bement, Illinois. Before coming to the De-

partment of Classics of the University of Alberta in 1965 Dr. Smith served in the History Department on the faculty of two universities, Wisconsin State and Texas Christian University. In 1969 he was made Associate Professor of Classics at the U of A. He has also served as the Assistant Dean of Arts

from 1968-1972 at the University.

To date Dr. Smith's publications and research have been mainly in the area of Greek and Hebrew history and culture. Within the last year Dr. and Mrs. Smith and their four sons have returned from London, England where Dr. Smith spent a sabbatical year. This also included visits to Carthage, Athens and Cairo.

Dr. Richard Smith is an elder of the Dayspring Presbyterian Church, Edmonton, and a member of the Edmonton Presbytery of the Presbyterian Church. His sermon on Sunday is entitled, "Grace Righteousness and Faith." A cordial welcome is extended to all to come and hear this outstanding Christian scholar.

DR. R. C. SMITH

Alberta Residents
65 years of age and over:

Were you missed?

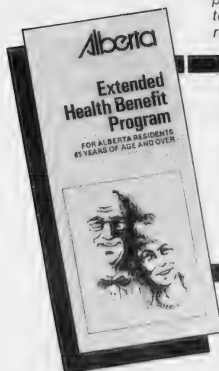

If you are 65 years of age or older and registered with the Alberta Health Care Insurance plan, you should have received a brochure covering the new Extended Health Benefits Program.

It's possible you may have been missed.

Under the program, registered senior citizens and their dependents will be eligible for assistance in purchasing eye-glasses, dental services, medical and surgical appliances, hearing aids and some major pieces of medical or surgical equipment.

Don't miss out!

If you have not received your brochure, please fill out the card below and mail it today. Your brochure will be sent by return mail.

HEALTH AND
SOCIAL DEVELOPMENT

HEALTH CARE INSURANCE COMMISSION

United Church has fine year

Reports at the annual meeting indicated one of the best years that the United Church has had since its beginning in St. Albert in 1954.

A dessert party led off the meeting, followed by the business session, with approximately 50 members of the congregation in attendance.

The congregation has been saddled with a \$10,000 debt, coming due on June 30th this year, and the meeting learned that \$6,439 has been received in cash, and a further \$1,270 has been promised. Largely through the efforts of a dedicated number of members, the Executive Council hopes to retire the debt by the end of June.

Although expenditures were up in 1973, the revenue also increased and the church realized a bank balance at year end of \$1,353. Which was most encouraging to a congregation faced with deficit budgets over a number of years.

Reports showed 33 baptismal services, 35 wedding

and 10 funeral services were held last year. There are 335 families on the mailing list and in 1973, 45 members were received into the congregation by transfer, and 15 by profession of faith.

Faithful workers just retired are Joan Green, chairman for the past two years; Dick Leggett, co-ordinator of ministry and personnel; Mr. and Mrs. Gary Hodgins, communications, and John Lindley, congregational life and work.

Now members elected to the Executive Council are Hugh Puffer, chairman; Hugh Smith, ministry and personnel; Ron and Dorothy Blake, communications; Ian Evans, communications and Marla Scammell, congregation life and work.

Commenting on the annual meeting, Minister Len Musto said that "an air of optimism seems to underlie the spirit in our church."

Inflation marches on making it possible for people in all walks of life to live in more expensive neighborhoods without ever moving.

A SECOND LOOK

Program for Women who are contemplating furthering their education and or changing their role in life through voluntary work or through embarking on or resuming a career. It would be of interest to those whose family needs have changed, or who are contemplating a change as the results of retirement or job displacement.

The emphasis will be on self understanding and the realization of one's creative potential as a person.

Participants will be provided with personal ability and interest tests, and will have opportunities in group settings to discuss and examine their goals, skills and abilities, as well as the possibilities for their use in the community.

Information of various opportunities in education and voluntary and paid employment will be provided by Resource Personnel as the groups decide.

Date of Commencement - Starting February 18 - 7:30 to 9:30 lasting 12 Mondays.

NAMAO NEWS

By Norma Crozler

A Leadership Development Workshop will be held at Namao United Church, Wednesday, February 27 - 7:30 p.m. Leaders will be Don and Helen Mayne from Edmonton. This session is planned for all congregations for all who are concerned about Christian Education. We hope that many will attend from Morinville, Bon Accord, Patricia and Namao.

Namao 4H Button and Bows meeting was held at the home of Myrna Vaculchik with most members present. Marianne Mickelsen gave a talk on what to do on Demonstration Night, followed by an impromptu discussion by the girls. Dates were set for public speaking, seniors will be March 5 at the church and juniors on March 8 at the church.

Namao Happlette Club will sponsor a shower for Debby Yeske in the Community Hall on Wednesday, Feb. 20 at 8 p.m. Debby, oldest daughter of Mr. and Mrs. Art Yeske will be married to Vern Waterhouse, son of Mr. and Mrs. Reg Waterhouse on March 2 at Norwood United

Church.

Congratulations to Mr. and Mrs. David McCracken on the birth of a son, their first born on February 7.

Mothers - Take - A - Break program for February --

Tues. Feb. 19 - An RCMP constable will speak on "Burglary and Locks" and will also show a film. Tues. Feb. 26 - Pat Doerksen, District Home Economist, will give the program on "Color in Your Home." Everyone welcome.

Horse Hill

By Peggy Wenzel

The Horse Hill Community League will hold their annual meeting Thursday, Feb. 28, 8 p.m. in the meeting room. All league members are urged to attend.

Amnity Club held a whist party last Saturday. Mildred West won the ladies high and Bob Mason the men's high. Alice Sockman won ladies low and Harold Williamson men's low.

Evergreen Mobile Homes Community League has challenged the Horse Hill League to a broomball game, Sunday Feb. 24. Anyone interested please come to the school grounds Sunday, Feb. 17 at 1:30 for practise.

Saturday, Feb. 9 the girls and boys basketball teams along with their cheerleaders took part in Future Voyagers Basketball Tournament at M. E. Lazerte School. The boys and girls teams played well but didn't manage to make the finals. The cheerleaders won their competition. Congratulations girls.

Ladies and mens volleyball Friday, Feb. 22 at 8 p.m. in the school gym.

AROUND STURGEON

The sheds on Hector and Marlene Berube's farm were on fire Tuesday morning. Angle Moellman was looking out her window and noticed same. She immediately telephoned Marlene, who was still in bed, she jumped up and picked up the telephone "I'm listening to 630 CHED!" Angle, very excited at this point said "To heck with 630 CHED, your sheds are on fire." That did it. Marlene - if you know Marlene - flipped. Unfortunately it was impossible to save either shed and Ken Stevenson's woodworkings and tools were also destroyed in the fire.

ANNUAL MEETING

VILLENEUVE
ATHLETIC ASSOCIATION
FRIDAY, FEBRUARY 15th
AT 8 P.M.
IN THE
VILLENEUVE HALL

FROM PARLIAMENT HILL

By Stan Schellenberger
M. P. Wetaskiwin

On January 19, 1973, food prices were largely responsible for an increasing cost of living. On January 19 of that year, the government decided to introduce a resolution to establish a special committee to look into food prices.

Early in May, the committee advised the government to establish an independent Food Prices Review Board to review food price increases and make recommendations.

Progressive Conservative Members of that committee disagreed with this approach

on grounds that "It is unrealistic and unfair to deal with food prices alone, when the basic problem facing Canada is rising prices in all sectors of the economy."

At the time of the Throne Speech, (January 4, 1973) food prices were rising at an annual rate of 8.6 per cent (December 1972 figures). They are now rising at an annual rate of 17.0 per cent and the price of eggs alone, has increased 40.0 per cent over the year.

At the time of the Throne Speech, housing prices were rising at an annual rate of 5.0 per cent. They are now rising at an annual rate of 7.2 per cent.

Similarly, clothing prices

at the time of the Throne Speech, were rising at an annual rate of 3.1 per cent. They are now rising at an annual rate of 7.3 per cent.

In other words, those commodities most important to the livelihood and well-being of the average Canadian - food, clothing and housing - are experiencing the highest price increases.

In my opinion, the Food Prices Review Board has been totally ineffective, partly because it does not have the power necessary to affect any alterations in government policy and partly because it tends to point out the obvious.

At any rate, the Food Prices Review Board's recommendations are being totally ignored by the government. The most recent example of this was the non-response of Agriculture Minister Eugene Whelan and Consumer Affairs Minister Herb Gray to the Food Prices Review Board's January 9, 1974 recommendation that egg prices be reduced by the Canadian Egg Marketing Agency.

In conclusion, I would like to quote a statement made by Robert Stanfield in the House of Commons on September 10, 1973 - "the real losers are not the members of my Party who may have lost motions of confidence from time to time. The real losers are the Canadian people of ordinary means, because the ordinary Canadian cannot ride things out. This is a tragic situation, all the more tragic because there is an alternative."

Legal CWL

The CWL monthly meeting was held Feb. 4. The president welcomed Mrs. Shirley Rogolins a newcomer in this district. We are pleased to have you amongst us Mrs. Rogolins.

Mary Quaghebeur informed all members that the CWL annual St. Patrick's tea and bake sale will be held at the Legal Co-op, March 16. Donations from the public will be greatly appreciated. A St. Patrick's cake donated by Jean Barry will be raffled.

Florence Quaghebeur gave the members a full detailed report on the meeting at Picardville which she along with Madeline Cornelis had attended.

A donation was sent to the Legal Development Board for posters of different business places and the scheduled time of all the different organizations in Legal.

All members are urged to write thank you letters to the TV stations in regards of the pre-Christmas specials.

Letters were read from Pierre Trudeau, Otto Lang and Dan Hollands on the abortion issue, a discussion followed.

Several letters were also read from our diocesan president Doreen Lecky. Anyone wishing to take in a retreat come to Legal, March 31, April 1 and 2 will be held in French, April 3, 4 and 5 is for the English speaking.

A special indulgence on the climax of each retreat will be given by His Excellency. Prayers are recommended for the success of the retreat.

Pipe Toy

Agriculture Canada engineers have made over a toy truck into a "mechanical mouse" that pulls string through drainage pipes buried in farmers' fields. The string, in turn, pulls gauges descaling, cleaning or inspection equipment through the pipe so the engineers can examine its structure and condition.

MORINVILLE MEMOS

By Flo McGinnis

On Saturday, February 9, the Morinville Arena was a little 'dampish', but the testing went ahead nevertheless. Some 60 local figure skating students were tested for the various classes. Judges from the Alberta Recreation Figure Skating Association came out from Edmonton, and all the young people were able to relax when the testing was completed before noon. Now the Figure Skating Club and all the students are busy preparing for the carnival which is coming up March 10. The theme for the 1974 carnival will be "It's

a Small World." Watch for further details coming soon.

Last weekend all the posters went up advertising the Rec Fest '74, and we note that the deadline for entries is Feb. 28. The car rally looks intriguing, especially since it seems that no one will know exactly what's going on until they receive that "mystery envelope" at the start of the - race?

Even though it is only the middle of February, June 22 and 23 are not that far away. Those are the dates for the 1974 edition of Frontier Daze and the Association held their organizational meeting on Feb. 5. Spike Flannigan was elected Chairman for a further year, with Jean Robinson as secretary, and Maryanne Gibeault as treasurer. Father Primeau will act as manager again, with plans already being formulated for another 'big bash.' The next regular meeting of the Frontier Daze Association will be held on Wednesday, February 20 at 8 p.m. in the Rectory. These meetings are open to the public.

Don't forget the UCC Ladies Aid meeting on Tuesday the 19th, to be held at Linda Pifko's, commencing at 8 p.m. Newcomers are especially welcomed.

It was especially gratifying to see, in Saturday's Edmonton Journal, that one of our local girls had a full page write up about the Appaloosa. Bonnie Jacobs of Morinville, who has written for the Gazette on the same subject, is very active in the Appaloosa Horse Club at the regional as well as the national level. Having completed her Grade 12, Bonnie is now studying commercial art. Well done Bonnie!

There is not a doubt in anyone's mind that we definitely DO need artificial ice in Morinville. The sooner, the better. Have you seen what happened to the ice lately? It's so hard to decide whether we should really be happy about the nice warm weather, or whether we should lament the fact that our ice always goes out at least once before its even carnival time.

Morinville farm machinery plant expands bale wagon production with new outlet

Craig's Manufacturing Ltd. of Morinville has just sent out two flatbeds loaded with their now famous "bale wagons." The multi-purpose farm wagons headed for Saskatoon, where Dean Distributors Ltd., has recently been appointed as exclusive distributor, in Saskatchewan. The growth of Craig's Manufacturing Ltd., over the past 25 years (plus) has been closely related to the development of agriculture in the western provinces.

Craig's continues to pioneer, having developed what is now commonly referred to as the "bale wagon," a multi-purpose farm wagon that has its most significant application in the haying operation. With this wagon, bale hauling and stacking can be done by one man.

The bale wagon comes in four models, ranging from 345 to 800 bale capacities. It can be converted to a utility tilt trailer, with built-in stake pockets permitting a box to be assembled on the flat deck. Side extensions are also available.

This is the second exclusive product developed at the Morinville plant. In 1967 Craig's began producing a root windrower, and since then has sold about 250 of them for use where land is being cleared. After the land has been initially cleared and broken, this machine windrows roots and levels the land in one operation.

This windrower compliments the breaking plows which Craig's has been manufacturing for the past 18 years. Bert Craig, company president, started the firm in 1948 as a repair shop. In 1956 he purchased the rights to manufacture, and the wooden moulds to produce the Nordheimer breaking plow. At this time, with the development of new agricultural areas, there was a substantial market for this item, with this market reaching a peak in about 1962.

In between the development of the windrower and the new trailer line, Craig's began (in 1969) manufacturing their tag-along trailers, featuring a goose-neck hitch. This trailer has a variety of uses including hauling bales and machinery.

Two plant expansions over the years, the last one in 1972, has brought Craig's production space to well over 11,000 square feet. Staff var-

Bale Wagons, a multiple purpose farm wagon designed and produced by Craig's Manufacturing in Morinville loaded for hauling to Saskatoon, where a new distributorship has been established for sales in Saskatchewan. This is one of two loads sent out via Bagnall Transport of Saskatoon, and more will follow to complete the initial order. The new outlet marks yet another milestone in the progress of the Craig plant in building high quality functional farm machinery for western farmers.

ies from 8 to 15, depending on production requirements, and at busy times the plant sometimes operates with two shifts.

Selling through appointed dealers, the Canadian northwest agricultural area has been Craig's Manufacturing principal market, but sales have been made across Canada from Vancouver Island to Nova Scotia, as well as in the United States through distributors in Townsend, Montana, and in Seattle.

The latest distributorship appointed to Dean Distributors Ltd., in Saskatoon, is now on its way with this first shipment part of a total order for 67 of the "bale wagons."

Camilla 4H Notes

By Joan Sheehan

Camilla Clothing Club hosted a public speaking seminar on the evening of Feb. 6. The guest speaker Mr. Arnold Malone, conducted a very lively and interesting session on the art of public speaking. The club will be holding their public speaking competition on Feb. 22 in the Music Room, Camilla School.

Art Lalonde feted at retirement party

On Friday, January 25, the Morinville Legion was the scene of a very special party in honor of Art Lalonde, a Department of Highways employee for the past 21 years. Roger Champagne, the D.O.H. men and their wives hosted the party for Art who had to retire due to health reasons.

More than 70 people gathered at the Legion, with Paul Ellis acting as master of ceremonies, and keeping everyone in stitches with his jokes and stories.

Guests enjoyed dancing to the music of the Chalifoux Orchestra along with plenty of refreshments and a buffet style fried chicken supper at midnight.

Agnes Lalonde was presented with a bouquet of red roses by Lorrette Champagne, with many good wishes for the future. Roger Champagne made the presentation to Art, of a specially designed plaque in the shape of the province, and suitably engraved with Art's name, years of employment, and the branch, Don Hills, on behalf of everyone, presented Art with a large mahogany crib table.

Both Agnes and Art thanked the guests for such a wonderful party and for the lovely gifts. Guests were in attendance from Bon Accord, Gibbons, Edmonton, Legal, Riviere Qui Barre, and Morinville.

It is more than 1 1/2 years ago that Art Lalonde suffered a heart attack, but even though he has had to retire from his long time employment, he remains active in the community. Agnes and Art Lalonde will continue to live in Morinville, where they have one daughter, Sharon at home.

Morinville Seniors finish in 3rd spot

By Simone Chevalier

Gibbons and Morinville played a close, low scoring game on Friday, February 1 which saw Gibbons take the lead in the first period. When the score became 2-0 in the second period, Rick Pugliese and Norm Bohl combined to get Morinville on the scoreboard, entering the third period one down. O'Neill Chevalier, assisted by Ed St. Laurent quickly tied the score, and later in the period Rick Pugliese had Richard Wright assisting him

on the winning goal.

Then on Sunday, Feb. 3, Morinville Seniors met Calahoo Scorpions, and although both teams were assured of third and fourth spot, respectively, in the league standing, they had a very exciting game. Even though Morinville never got the lead in the game they did not give Calahoo a moment's peace. Entering the second period two down, the combination of Pugliese and Bohl finally got one past the Calahoo netminder. But before

the period ended, Morinville was two down again! Early in the third period, while Calahoo was serving a penalty, Rick Pugliese, assisted by Fred Hesse this time, scored again. Guy Chalfoux, with Richard Wright assisting, shot one home tying the game and driving the fans wild. It was a matter of principal now, and both teams fought valiantly to come up with the tiebreaker. Calahoo scored, and their supporters cheered wildly while the Morinville fans made just as much noise trying to get their team spurred on even further. With only minutes left, Richard Wright took a pass from Guy Chalfoux and there it was again - another tie! The tension did not let up until the final whistle blew on the 4-4 tie.

The final league game saw Morinville battling with Namao on Friday, Feb. 8. Norm Bohl scored the first goal, with Don Pruss getting the assist, and that's the way the score remained until the third period. O'Neill Chevalier, assisted by George St. Laurent scored twice, and Rick Pugliese put one in unassisted, to end the game 4-0. A well deserved shutout for goalie Denis Bachand.

So the Morinville Seniors ended the season in third spot and have some very exciting games to look back on, as (at the time of this writing) they prepare for the playoffs.

Report From Bon Accord

By Sadie Allen

The United Church ladies met in the church on Feb. 6. Rev. Black showed slides of his former pastorate in the Queen Charlotte Islands, accompanying the showing with a most interesting commentary. A lovely lunch was served by co-hostesses, Mrs. Karen Luchka and Mrs. Patje Keown. The next meeting will be held on March 6 at 1:30 sharp in the church. There will be a Young Peoples' social evening at the United Church on Feb. 23. Everyone is welcome to attend.

A free introductory lecture on Transcendental Meditation will be held in the Gibbons Hall on Feb. 20 at 8 o'clock. Speaker is Geoff Toane. You are cordially invited to attend.

The Bon Accord Roman Catholic Women met at the home of Mrs. Elizabeth Grant on Feb. 4 with 12 ladies present. Plans were made for an Irish Stew supper to be held on March 17 in the Gibbons Hall. The supper will feature stew, buns, pickles, salad and apple pie, going at the bargain price of \$1.50 for adults, \$1 for 12 and under and a family rate of \$5 per. A three-day seminar conducted by a team of five, headed by Sister Joan Kirk, for teachers of religious classes will be held at the R.C. Rectory in Redwater on March 8, 9 and 10. An invitation is extended to anyone who might be interested in teaching, as substitutes are urgently needed. The next meeting will be held on Wednesday, March 6 at the home of Mrs. Carol Komick. Prayer services are held regularly on Mondays at 8 p.m. at Mrs. Yvonne Pasemko's. The meetings are open to all wishing to attend.

A quantity of single play records of nursery rhymes set to music, belonging to the Bon Accord playschool, have disappeared from the community centre. The records, of all different colors, have been gathered over a period of 20 years and are irreplaceable. They are sadly missed by the little ones attending playschool and their return would be much appreciated. If anyone happens to see them, they may be returned to the Community Centre kitchen. In anticipation, thank you. The playschool children enjoyed a trip to the Provincial Museum on Feb. 6. Bus driver was Mr. Ray Rigney.

A baking contest - entries limited to members of the brownies, guides and the 4H Food Club, will be a feature attraction of the St. Patrick's tea to be held on Saturday, March 16 in the Bon Accord Community Centre from 2-5. Sponsoring organization is the Local Association for Brownies and Guides. Categories are 7 - 9 age group - cup cakes or cookies; 10 - 11 - squares; 12, 13 and 14 - cakes. The prize for the first group is a framed picture donated by Keith Whitson, Village Superette, for

the second group, a gift of Avon donated by Gail Critchley and the third group a \$5 share in the Edmonton Amalgamated Savings and Credit Unions. Girls are reminded that no mixes can be used. Entries will be judged on appearance and taste. Judges will be Mrs. Helen Lesyshen and Mrs. Ethel Samis. The young fry will enjoy the Fish Pond, courtesy of Woodward's Northgate. Other features of the afternoon are a White Elephant table, tea cup and palm reading, a bazaar and bake sale. To add to the many door prizes already mentioned is a thermos picnic jug donated by Mr. Bill Cochrane on behalf of Heinz Foods.

A one-day training session held at the Edmonton Guide headquarters on Feb. 9 was attended by Mrs. Helen Lesyshen, Kanata division commissioner, and Mrs. Donna Gorringer, commissioner for the Bon Accord district. Main concept was to learn how to co-ordinate the commissioners, club leaders and executives of the Local Associations with the idea of making a good working team. The session continued on Monday to show how to set up a good team.

The Brownies and Guides will celebrate Thinking Day by having a combined birthday party on Feb. 18 at 6:30 p.m. in the B.A. Community Centre. Each girl is to bring two cupcakes - one for herself and one for a sister Brownie or Guide around the world. The evening will include fun and games and the winner of the Thinking Poster contest will be announced.

Get well wishes are extended to Mrs. Jim Milligan in the Fort Saskatchewan hospital and to Mrs. Pete Kenda and Mrs. Marion McKenzie in the Sturgeon General.

Anglican Church Women will meet at the home of Sadie Allen on Wednesday, Feb. 27 at 2 p.m.

Carnival weekend was a most successful one with an interesting program provided for the large and enthusiastic audience which turned out for all events. Marg Sullivan's skaters put on a good show, a special demonstration being given by the boys' figure skating class, Bantam

boys squeaked out a win over Gibbons on Friday. Mite boys tied with Redwater on Saturday. Mini-mites and peewees came up with wins each over Redwater and the midjets lost a league game to Redwater on Saturday evening. Girls fared not too well in an exhibition game with a team from Edmonton, even with the help of that new player, Miss Russell Pawluk in the last period. Highlight of the family dance on Friday night was the crowning of the queen for '74, Miss Shelley Brown, by retiring queen, Miss Susan Gervais. Queen candidates were presented with rose corsages. Presenting the flowers on behalf of the C.C. Rec. Board were: Marsha Rigney to Shelley Brown, on behalf of the 4H clubs; Gladys Abramski to Bev Thompson, on behalf of the C.C. Rec. Board Sarah Mulligan to Lori Ketter, on behalf of the Ladies Comm. Club; Bill Carleton C.C. Board President to Susan Gervais. Shelley also received a bouquet of spring flowers presented to her by village mayor Mr. Bill Deedman, on behalf of the BACC. The girls are to be congratulated on the fine job they made selling tickets. A special thank you to all those who made donations to the booth and to all those willing workers who served in so many ways to make the weekend a great success. A special mention must be made of members of the Emergency Brigade who are on hand at all sports functions to give assistance when necessary. Remember, in case of emergency, call 298-3777. Winner of the draw for \$100 was Dave Brennan of Bon Accord. The second prize of \$25 went to Mrs. Katie Woytkiw of R.R.#1 Morinville, and third prize of \$15 to Mrs. Natalie Kolody of Bon Accord.

There was a very large crowd out for the Sunday night bingo. However, the jackpot of \$90 was not won and is now \$95 with 59 numbers to be called.

A green garbage bag containing a full set of boy's hockey equipment including a green and white sweater and matching socks belonging to the BACC was taken by mistake to the dump. Anyone finding it please contact Sandy Herd, 298-3610.

4H Council plans activities

By Sharon Kish

The second meeting of the Sturgeon 4H Council was held on January 22, 1974, at Morinville, Alberta.

Topics for discussion included: Northwest Regional Council Workshop - Westlock, Alberta - February 2, 1974. Five delegates were chosen to attend representing horse clubs, garden and food clubs, clothing clubs, beef and dairy clubs.

Parliamentary Procedure Workshop - Bon Accord, Alberta - new date to be set -- All club leaders and members are urged to attend.

Sturgeon County Public Speak-offs will be held as

follows:

Senior speak-offs - Namao March 25, 1974 - 7:30 p.m.

Junior speak-offs - Alcomdale, Alberta, March 29, 1974 - 7:30 p.m.

New judging forms will be tried this year.

Permanent dates for bowling and curling were set.

Bowling - Odeon Bowling Alley - March 3, (all day) commencing at 11 a.m. One dollar per member.

Curling - March 10 at St. Albert, Alberta. Two dollars per member.

A general discussion was held with the topic being 'Promotion of 4H in the Sturgeon area.

Calahoo and District Report

By Liz McLeod

The West Sturgeon Agricultural Society of Calahoo are really pleased with the progress of their multi-purpose building presently under construction.

The Society's executive are holding meetings every week now to deal with any problems as they arise. They are presently engaged in planning a car raffle to be held in March in conjunction with a banquet and dance. Anyone wishing more information may phone any of these phone numbers: 256-2021, 459-5652 and 932-5666

Marcel and Theresa Kerckhof enjoyed the evening at Louis and Yvonne Verlinde's recently when they were invited for dinner.

Sometimes one has to go to a neighboring town to meet your neighbor. This correspondent enjoyed the visit with Mrs. Mina Neri, Mrs. Hector Quintal and her father Mr. Frank Gawron.

Calahoo WI

By Liz McLeod

In order to learn more about the Alberta Women's Institute, their aims and goals, a four day workshop was held from Jan. 28 to 31 at the Mayfair Hotel in Edmonton bringing together the Provincial Council, the Pro-

vincial President Mrs. Ethel Morrisroe, Provincial Vice-President Mrs. Betty Ballhorn and Provincial Secretary-Treasurer, Mrs. Kay McMillan, the District Directors of which were Mrs. Vera Holt is one of District 11, and the Provincial Standing Committee chairman and the Constituency conveners of which Mrs. Mary Dalheim is of District 11.

They were so pleased that the north was represented by three native WI women from North West Territories.

Also two white ladies from Atlevis, Field Secretary Mrs. Rachel Paton and Mrs. Sheila Bull and these five ladies told many interesting tales of the north and each were presented with a souvenir Alberta Rose crested spoon.

The lady from the Toastmistress Club was a very interesting speaker as was Mrs. Marilyn Hemming house economist from the extension department speaking on textiles and nutrition.

Mary Dalheim also of Calahoo WI spent two days at the workshop and felt it was time well spent.

Steve and Pat Sobolewski found Emelia Schermund managing well and while visiting, informed her that they had just got their son, Francis, out of the hospital.

Mary Dalheim enjoyed a day at home with her grandchildren when her son Lorne came home, being his wife Rose Mary had to work. Brother Kevin is presently attending S.A.T. in Calgary.

Mrs. Harold Christen has spent some time in Edmonton at her parents home and has now returned to her home in Green Willow district.

Fred Brown brought his daughter Elaine L'Heureux and grandchildren Gary, Neil and Tammy home with her recently.

Clara Loyer accompanied the Peter McLeod to visit with Doug and Lillian and Cameron McLeod in Spruce Grove recently and found so she thrived to have her grandson walk alone to her.

Jack D'Hoedt, a former resident now living in Stony Plain had the misfortune to fall on the street and severely fracture his ankle.

There are only two ways to beat this cold weather, enjoy it or go to a warmer climate, which is what Ken and Sybil Thatcher did for 15 days. They went to Toronto first, then on to attend a friend's wedding in Montreal, and then to Clearwater, Florida where the temperatures ranged in the 70's and 80's all the while.

Ken rented a car, so was able to travel at will, and his amazing how many wonderful vacationers you meet. Ken and Sybil accepted several impromptu invitations with newly made friends on the beach and just enjoyed themselves immensely. Their son Craig got five days off and joined his parents also.

Returning home on Jan. 26 they were just in time to enjoy Sybil's birthday dinner with their son Scott and Ken's parents Mr. and Mrs. John Thatcher who attended to the chores in Ken's absence.

The MD of Sturgeon Recreation Board certainly started a fine thing in getting our senior citizens together. Calahoo's Goldenagers met January 23 with a good crowd on hand. Since, during these colder months, they meet in the church basement, cards and bingo can conveniently be played, but its the warmth of relationships that count so much.

For the February 13 meeting, members are asked to bring assigned Valentine card along with them. Visitors are always welcome.

To say thank you, one can do this in many ways. The Peter McLeod's finally got

around to holding a small dinner party for Marcel and Theresa Kerckhof, Louis, Jackie, Hanz, Denise, Mary and Diane, who have been so helpful to us for so long.

It also was time we had Emelia Schermund and her boys Barry and Michael, also Murray Carly, who is with them presently, and our son Douglas and Lillian McLeod with grandson Cameron.

The West Sturgeon Agricultural Society of Calahoo's latest project, arranging a car raffle to raise funds for their multi-purpose building, is in high gear with very encouraging results thus far.

The car raffle committee will meet at the end of February, hoping all 300 tickets will be sold on the 1974 Datsun B210.

With the return of more favorable weather, work has resumed on the multiplex. Selling tickets can be a very rewarding experience since old friends can enjoy a long overdue visit as well. Pete and Liz enjoyed a day making stops at the homes of Las and merle Schultz, Rudy and Janet Brinsky, Kerr Bros., Madeline Brown and Werner Christen.

By Ron Coley

Anyone having news for Gibbons, whether it be sports, weddings, funerals, births, anniversary, meetings or farm news, contact Ron Coley at 799-5570 or leave it in my mail box at the post office, no later than Friday.

The Legion Bingo of \$80 was won by Tony McLean of Gibbons. Next bingo will be in the Legion Hut February 21st at 8 p.m. Everyone is welcome.

The Gibbons Legion are now raffling a cabinet stereo or \$200 cash, to help with the cost of the addition to the Legion Hall. Tickets are available from Legion members. Help a good cause, the draw will be made at the April 3 meeting.

A survey is now being taken of the Village of Gibbons and area to determine the need of a Senior Citizens accommodation within the village. Forms are available at the Village Office for anyone interested in filing one out. A committee will be touring the area to visit as many senior citizens as possible, in this respect. There are two types of accommodations. First is the self contained units that rent very cheaply. Persons can still do their own house-

BABIES IN THE NEWS

Randy and Betty Quintal of Calahoo are being congratulated on the birth of a daughter, Kimberly Ann, weighing 6 lbs. 7 oz. born in Sturgeon General Hospital January 25. A sister for Jason.

Mrs. Ann Parko of St. Albert and Armand (Black) and Mary Quintal of Calahoo are the proud grandparents.

Kenny and Diane MacDonald, presently living in Morinville are receiving congratulations on the birth of their son, Vern Joseph, weighing 9 lbs. 10 1/2 oz., born in the Sturgeon General Hospital on February 1st.

One is never too old to enjoy a birthday. In February Green Willow district residents shine, so it was no surprise for Mrs. Theresa Kerckhof to have Otto and Audrey Stelnkamp, Mrs. Emelia Schermund, Barry and Michael along with Murray Carly and the P. McLeod's gather for an evening of fun and games on Feb. 2, ground hog day too. The young folks also enjoyed the

get-together going out skiing for awhile and then playing ping-pong and later watching TV while visiting.

Ferdinand Lischewski reached another milestone in his life and there is nothing makes a father and grandfather feel more proud than to have his family around him on his special day. Being Feb. 4 was a Monday, Arthur, Valorie and Nicole Lischewski, Gordon and Gertrude, Leah and Trevor Bergstrelser, John, Johanna, Sandra, Janine and Jacqueline Berle came on Sunday the 3rd.

With such nice weather there was a perfect setting to make igloo's in the huge piles of snow in the yard, and who doesn't have piles of snow this winter.

Then on his birthday, neighbors, Werner and Neil Christen with John and Dina Grope enjoyed the evening together. John's birthday was also on Feb. 2.

In the afternoon, Pete and Liz walked over with their venturesome cat close behind, not going to be denied the outing either.

Happy birthday greetings go out to Mr. John Thatcher also for his birthday on Feb. 10.

REPORT FROM GIBBONS

work and cooking, but all outside work such as snow removal and grass cutting will be done by a maintenance man. Secondly is a lodge type unit where meals are cooked and served by a staff, individuals are looked after in many respects. Please call at the Village Office for information for these two types of accommodations.

On Wednesday evening, February 20 at 8 p.m., in the Gibbons Community Hall Jeff Toane will be giving a lecture on Transcendental Meditation. This meeting will be very interesting and could be a real asset to many people.

The Gibbons Community Centre will be holding their annual meeting on February 18th at 8:30 p.m. in the Gibbons Community Hall. Let's see how many people are really interested in this community.

The Gibbons Legion Branch #226 Annual Meeting was held on February 6. The following is the state of

officers that were elected: Snowfall Legion candidate-Schell Schwanke, president - E. Yeo, vice-president - N. Stirton, treasurer - R. Gibbons, secretary - R. Coley, Sgt. at Arms - C. McWhirter, Hall Rep. - T. Yeo; Membership - S. Mahbutt and M. Master, Social Convener - W. R. "Bud" Gibbons.

THANK YOU

We would like to thank everyone who helped in making such a wonderful retirement party for Art. A special thanks to: Roger Champagne and the D.O.H. men and their wives who hosted the party; Paul Ellis, the master of ceremonies, and to all those who assisted. Thank you for the flowers, plaques and crib table. It was a wonderful party and something we will never forget.

Adequate nutrition aids cattle starvation danger

Issued from District Agriculturist's office.

It is expected that some cows and calves will die from starvation this winter in Alberta.

We expect the situation to be worse than usual this year because of the long, cold winter, the fact that the fall weather was wet and much of the hay and straw available is of very poor quality, the inability of some producers to harvest their grain

and perhaps because of over-expansion of herd size in some places. Other factors could be involved in some situations such as the high cost of grain and perhaps inexperience of the operator. In any event, producers should take a good look at the quality and quantity of feed available for the number of animals they must feed.

A herd being affected by inadequate nutrition can be recognized before animals die by realizing that many of the cows are quite thin. In some herds the problem has not been recognized until several animals have died. Not all cattle will be affected to the same degree - some are able to live better on less feed than others, some cattle will have more parasites than others, young growing animals require more feed than do mature animals. Usually these herds will be fed poor quality hay or poor quality straw without grain or other equipments. Cattle cannot survive in the extreme cold temperatures on a total ration of poor quality low protein roughage without losing body condition because not enough energy is available in all of the feed they can possibly eat. The

cattle will eat more roughage than their stomachs can digest and impaction may occur.

In an affected herd, one can expect many cows and calves to be very thin. The cows will produce little milk after calving. There may be an increased incidence of infections following calving. Quite a few animals can die and magnesium deficiency may occur. In addition, a large amount of feed is required in order to bring the animals back to condition. The basic requirement is energy. A high level of grain feeding must be used in order to prevent further losses. The animals must, of course, be brought onto grain feeding gradually. The rations should be balanced to contain a reasonable amount of protein, vitamins and minerals. Treatment of animals that have gone down from inadequate nutrition is extremely difficult. It would be much better to try and prevent the situation from developing.

The above information was supplied from Dr. R. Christian and J. Martin, Alberta Department of Agriculture.

Information to consider on vitamin supplements

By Pat Doerksen, District Home Economist

Canadians purchase approximately 40 million dollars worth of vitamin and mineral products each year.

Perhaps you wonder -

*why there are so many different products on the market.

*what are vitamins and minerals?

*if you or other members of your family need a vitamin and mineral supplement

VITAMINS is a general term for a number of unrelated chemical substances (nutrients) occurring naturally in various foods. They are necessary for the normal functioning of human body but are not manufactured by the body. An insufficient intake of vitamins may result in disease or deficiency states.

MINERALS occur naturally in foods. They too are necessary for the normal functioning of the body. The quantity of a mineral present in a drug is usually

stated in milligrams (mg).

Healthy Canadians who eat a variety of foods as recommended by Canada's Food Guide will obtain all the vitamins (with possibly the exception of vitamin D), minerals and other nutrients essential for their health and well-being. A well balanced diet can be selected from foods commonly available in Canada.

Vitamin D - most adults obtain enough of it from their seasonal outdoors exposure to sunshine. However, people living in northern regions with limited sunshine, infants, growing children, pregnant and nursing women and elderly persons confined indoors can obtain their quota by consuming milk with added Vitamin D. A vitamin D supplement may be necessary for persons in one of the above groups who are not using Vitamin D fortified milk.

Vitamin and mineral supplements may be required -

*during growth spurts, pregnancy, lactation, illness when the appetite is poor, or where by choice, circumstance or dislike of certain food groups, a normal diet is not consumed.

*by young people who take to the road. They would be well advised to pack a vitamin supplement in their knapsack to compensate for problems in selecting proper foods while travelling.

*by those whose diets consist mainly of hot dogs, hamburgers, chips and soft drinks and who need supplementation to ensure adequate nutrient intake.

*by weight watchers on a low calorie reducing diet who may also find it difficult to maintain adequate nutrient

intake while their amount of food is limited.

Whenever you purchase a vitamin supplement, check the expiry date on the label and if the product is out of date bring this to the attention of the pharmacist or clerk.

*buy a product with an expiry date sufficiently in the future so that you will have used up most of the quantity before the time has expired.

*and it is kept in your home under normal conditions and protected from excessive heat, light, air or moisture, it is not necessary to discard the contents as soon as the expiry date is reached. Most manufacturers ensure that their products will have full labelled potency for several months beyond the stated expiry date to compensate for any adverse storage conditions or handling which may take place somewhere along the distribution chain between manufacturer and consumer.

AN EXCESS CAN BE HARMFUL

*Although excess intake of most vitamins is excreted in the urine, it has been known for some time that any excess intake of Vitamins A, Continued on Page 20

Water & Waste School

Water and Waste School to be held at the Morinville M.D. Building, February 22 and 28. This is directed specifically towards the use of water and disposal of waste in the rural home. A series of topics will be covered, including:

1. Water
2. Sources of water
3. Water pressure systems.
4. Treatment
5. Disposal

This will be held from 10 a.m. to 3 p.m. on both dates. Everybody welcome.

Program announced for farm help

Re-issued by W. O. Klatt's Office.

Alberta's Minister of Agriculture, the Hon. Hugh Horner, has announced an Emergency Farm Help Program to provide a source of temporary workers for farmers who need this type of help at various times of the year.

The program has been set up under the federal government's Priority Employment Program (PEP). Its main function will be to compile a list of people who are qual-

ified for temporary farm work and to list prospective employers.

Dr. Horner reports that six regional offices have been set up throughout the province. The staff at these offices will interview prospective employers and employees, and list the farmers in the area who are looking for temporary help. The staff will also endeavor to match the requirements of prospective employers with the desires of prospective em-

ployees. However, negotiations regarding wages, accommodation, travel expenses, etc. will be the responsibility of the two parties concerned.

The type of people who would be eligible for emergency farm work include neighbors who are not fully employed on their own farms; city people with some farm experience who would be available either during the week or on weekends; students with a farm background; retired farmers; unemployed people with some knowledge of farming; and anyone else who is capable of doing some farm work.

According to Dr. Horner, consideration is being given to the idea of setting up training programs for people who would like to work on a farm, but do not have any experience or training, and for people who would like to up-grade their present qualifications.

During the time that the Emergency Farm Help Program is in force, regional office staff will carry out follow-up interviews with employers and employees so that the effectiveness of the program can be assessed.

More detailed information on the Emergency Farm Help Program may be obtained from the regional office listed below.

Edmonton Regional Office 435-4707.

Wild Oats Seminar

A Wild Oat Seminar will be held at Westlock on March 8, 1974. This seminar will start at 9 a.m. and will be held in the Memorial Centre. This seminar is to include speakers from U.G.G., Research, the chemical industry, and the Department of Agriculture. Some floor displays featuring herbicide application equipment are being considered.

All farmers are welcome to attend. We believe you will gain a lot of information from this seminar. We'll see you on this date, at Westlock and bring your neighbor.

Colostrum fast - calves

Re-issued from W. O. Klatt's Office.

Most dairymen know that newborn calves need to get colostrum from their dams as soon as possible after birth. But perhaps all are not aware of why the practice is so important, points out Dr. Curtis Richardson, extension dairy nutritionist at Oklahoma State University. The baby calf is born with little resistance to many disease organisms it encounters during the first few months of life.

Colostrum milk contains a large, readily available supply of antibodies which must get into the bloodstream of the calf to protect it against disease for the first four to nine months of life before the calf begins producing its own antibodies.

The intestine of the newborn calf will absorb these antibodies from colostrum only during the first few hours of life. The sooner the colostrum is fed, the more

protective antibodies are absorbed. Research shows that passage of antibodies from colostrum through the intestinal wall of the calf begins to decrease within six hours after birth.

The longer the delay in getting colostrum into the new calf, the less likely the calf will be able to absorb the antibodies. Hand feed it so you are sure the calf gets a good dose of colostrum immediately.

Aid available - livestock facilities

Assistance by Wally Klatt, District Agriculturist.

Labour assistance for the building of livestock facilities program is still available

Applications for approval are available from the D.A. in Morinville. The fact that this program might possibly have been terminated by Jan. 31 did not apply to this district.

Approval for the building of these facilities is required before construction begins as far as this program is concerned.

Information concerning cut-off date will be published in this paper.

Construction should be completed by April 30, 1974 if a claim is to be approved. Assistance will be paid on that portion constructed.

Supplements

Continued from Page 17

D, E and K will be stored in the body and not excreted.

*Recently, high doses of Vitamin A and Vitamin D have been shown to be detrimental to health and useful only for treatment under the direction of a physician.

*For safety's sake the Health Protection Branch has now placed the sale of products containing Vitamin A in daily doses larger than 10,000 International Units and Vitamin D in daily doses larger than 1,000 International Units on prescription only basis.

*If you have been using such a product you will now find that your pharmacist will request a prescription from your physician before he can sell it to you.

Labelling regulations for vitamin and mineral drugs -

*Limit claims that can be made for certain nutrients and prohibit any claims for other nutrients which may be present in the product.

*require a cautionary statement when a drug contains the mineral nutrient fluorine to the effect that if the drug is used in an area where the drinking water has a natural fluorine content in excess of 0.7 parts of fluoride in per million parts of water or is artificially fluoridated, mottling of the tooth enamel of the user of the drug may result.

Before making a decision to buy a vitamin and/or mineral supplement for yourself or your family, assess your eating habits.

*Decide if your diet is well balanced and made up of a variety of foods. If so, it is unlikely that you will need supplements. You may just be wasting your money if you purchase them.

*If you are already consuming a high quantity of Vitamin A or D in your diet because of unusual food preferences, dieting, or some other reason, you may ex-

ceed healthful limits by adding a supplement and do more harm than good.

*If, on the other hand it is evident that your normal diet is deficient in some nutrients it would be wise to add a vitamin and/or mineral supplement to your diet to insure adequate intake.

*As a precaution it is always wise to check with your physician before you take any drug, particularly if you are considering one of the higher dosage products.

*In the case of infants using commercially prepared infant formula, do not add a vitamin supplement unless your doctor so directs. Infant formula contain the required amounts of vitamins and minerals and you will be giving an excess dose

Femmes Chretiennes

By Lucienne Montpetit

Les Femmes Chretiennes held their monthly meeting on Feb. 6. During mass, five new members were received Femmes Chretiennes in a special ceremony, then everyone proceeded to the Chateau Sturgeon for the meeting.

The president welcomed the new members also Sister Labonte from Vimy who was the guest speaker. Sister Labonte spoke very well on the family praying together and introducing prayer to youngsters at an early age.

Father Bissonnette told everyone to keep March 31 April 1 and 2 for the parish retreat preached in French while April 3 - 4 - 5 is for the English speaking. Prayers are recommended for the success of this retreat.

The president invited everyone to come and meet the Diocesan Council that will be visiting us on Feb. 25 at the Recreation Centre.

A light lunch was served concluding an educational evening.

LEGAL LOCALS

By Lucienne Montpetit

Turn your dial on CFCW on February 21, they will be saluting our community in Legal, special produced announcements will be released on that date.

The members of the Club 60 Roses wish to thank everyone who contributed or participated in anyway making their bake sale the success it was.

A reminder to return your ballots for Extended Flat Rate Calling before Feb. 27. Ballots postmarked after this date will not be counted. Voting results are determined from returned ballots only, if you haven't returned yours do it NOW.

Mr. Joseph Seniuk, a former resident of Legal passed away on February 5 at the age of 73 years and nine months. He is survived by one son Steve and one daughter Mrs. Gordon (Betty) Rollie, Edmonton. Funeral services were held at St. John's Ukrainian Orthodox Cathedral. Sincere condolences to the bereaved family.

Mr. and Mrs. Alvin Flore from Beaverlodge visited with their many Legal friends last weekend.

Expressions of sympathy are extended to the Casavant family on the loss of their dear father, Mr. Henri Casavant who passed away on February 4, also to Mrs. Beatrice Carriere who is mourning the loss of her husband Melchior who passed away on February 5.

Mr. and Mrs. Omer Maurier have moved in their new home in the village.

Les Femmes Chretiennes will have a bingo at the Chateau on February 17 at 1:30 p.m. Everyone is welcome.

Get well wishes are extended to Mrs. Patrick Keane and Mrs. Henry Montpetit who are back home after spending several days in the hospital.

Mrs. Georgette Berube hosted a miscellaneous shower for Pauline Montpetit last Sunday in her home. Pauline is the daughter of Mr. and Mrs. Paul Montpetit. Several games were enjoyed by the guests and the door prize winner was Lucienne Montpetit.

Pauline received beautiful gifts and thanked everyone for attending especially her Aunt Georgette for organizing the bridal shower in her honor. A delicious lunch concluded the afternoon.

Pauline will exchange marriage vows with George Brown on February 23.

The Grade 7 students will hold a bake sale at the Legal Co-op on February 16. Your donations will be greatly appreciated. Contribute and help the students with this project.

The grade seven of Legal would like to thank all of the people who contributed to their bottles towards our

bottle drive which was on Feb. 9. We would also like to say thank you to the truck drivers who were - Mr. Eugene Coulombe, Mr. Denis Letourneau, Mr. Denis Nault, Mr. George Frank and Mr. Leo de Champlain who generously lent their trucks and themselves. Mr. Norm Letourneau lent us his garage and Mr. Real Champagne was nice enough to lend his free time to help sort those bottles. It was very successful and we will probably be able to go to Peace River

If our bake sale and other money raising projects turn out as well as this one did. Once again, thank you very much.

Oldtimers hockey tournament - Saturday, Feb. 16 at 7 p.m. Edmonton vs Morinville; 9 p.m. Legal vs Falher. Sunday, Feb. 17 - 10 a.m., Losers; 12 noon - Winners.

We wish Mrs. Paul Clouthier a speedy recovery at the Sturgeon General Hospital.

Melchior Carriere passes

Mr. Melchior Carriere, 74 a resident in Legal since 1907 passed away on Feb. 5.

Born at St. Philippe d'Argenteuil he came west with his parents Mr. and Mrs. Arthur Carriere at the age of seven. They settled on a farm in the Diligence district at the time.

He married Marie Robichaud in 1925 and they were blessed with one son.

They moved in the village in the late 1940's.

He was predeceased by his wife in January 1963 and remarried Beatrice Coul-

ombe in March 1965. He was best known to his many friends as "Gidou."

He is survived by his loving wife Beatrice, one son Normand, Ottawa; two grandsons, also one sister Mrs. Ferdinand (Cecile) Martineau, St. Albert.

Funeral mass was celebrated by Father Bissonnette with interment in the local cemetery.

The family wishes to thank everyone for their kindness, expressions of sympathy and mass offerings during their recent bereavement.

HARD, RUST STAINING WATER PROBLEMS SOLVED

Mr. and Mrs. Roy Yeoman pictured above are lifetime residents of Onoway, Alberta. Roy and Marina are Onoway's Imperial Agents.

Up until two years ago Roy and Marina suffered with hard water. Since that time they have had a Marvel Water Conditioner installed in their home.

Upon being asked what they thought of the conditioner they commented: "There is no comparison with the water we have now! Before washing was quite a job. Now my clothes come out clean and bright. The saving on soap and work is very substantial. Our water leaves our sinks, bathtub and dishes sparkling clean. If anyone has ever washed their hair in rain water they know that soft water makes their hair soft and easy to manage.

It is a comforting thought to know that Big Iron Drilling sells top quality equipment, supplies dependable free service and also to know that we are dealing with people who know the water business.

We would recommend to anyone in the area with a water problem a "Marvel Water Conditioner."

For further information at no cost or obligation please send coupon to BIG IRON DRILLING.

CALL - 459-7744 -- 192 ST. ALBERT ROAD. MARCEL OR EXILDA LAROCQUE -- 459-5052 NICOLE UNDERWOOD - RITA WOERTMAN 459-3693 459-7411 "LIVING AND WORKING IN ST. ALBERT"

12424 - 118 AVENUE, EDMONTON, ALBERTA.

Let us show you how to defer your income tax.

Do you want to pay less income tax for 1973? Of course you do! Then why not take a few moments to drop in and talk about **Registered Retirement Savings Plans**.

Here's how they work. Under the present income tax regulations you are entitled to set aside a tax deferrable amount for your retirement years. This amount is 2% of your earned income up to maximum of \$2,500.00 for people who already participate in a company pension plan and up to \$4,000 for self-employed people.

These tax deferrals, together with any income and capital gains they earn, don't become taxable until you withdraw them; and if you wait until you retire, chances are your tax rate will be lower than it is now.

So if you defer on income tax today - you'll build a nest egg for tomorrow.

We can help you chart your R.R.S.P. program. Don't let this opportunity slip by. Your plan must be registered before the end of February to qualify for your 1973 tax deferral. Drop in and see us soon.

serving Alberta

BUILD A NEST EGG

BIG LITTLE CAR FROM KINGSWAY TOYOTA ...

Mark II

Big where it counts. Small where it can afford to be. Kingsway's 1974 Toyota Mark II... designed with Big Car benefits and without big car problems. Such as plenty of space per passenger. Smooth ride. Easy handling and parking. Loaded with Big Car luxuries, too, and it's all standard equipment! An electric clock. AM/FM radio. Power steering and power front disc brakes. Tinted glass. A fuel-stretching but full-of-pep 6-cylinder engine. And at Kingsway there's an added inducement to eye and try Mark II.

"Immediate Delivery"
